

# DIGITAL FAMILY RESOURCES

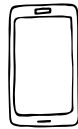

## Meet the school Family Engagement Coordinator.

My name is Virginia Brown and I am here to support our CES families in any way I can. I coordinate our schoolwide academic events, such as APTT and Parent Academy classes, as well as help families check out materials from our Family Resource Center. Please reach out to me if you need assistance with anything or want more information on ways to help your child at home.

## Parent Portal Account

### How to set up your parent portal account:

Step #1: You **must bring** a picture id to the CES front office for a **one-time** verification.

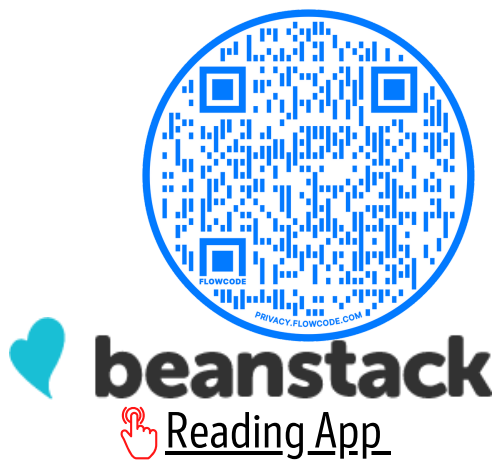

Step #2: You will **receive** an activation code **via email**, within 24 hours.

Step #3: **Scan** the QR code with the camera on your phone for **step-by-step** directions.

## Academic Apps

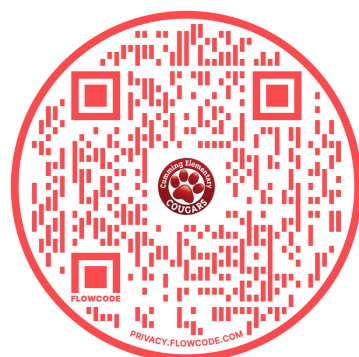

Please add these important academic apps to your digital device.

## Free Resources

 Check out free **academic materials** from the CES Family Resource Center.

Need help with **basic needs**, such as food, clothing & school supplies?

## Cumming Elementary
