Dear Member,

Congratulations and Welcome! You are a member of the Lambert High School *Stampede*, a musical organization which ranks among the best in the state. This program has earned numerous awards including marching band championships, superior ratings at concert festivals, and a state medalists in indoor percussion and winterguard. By joining you become part of an organization that, has a tradition of success, service, and fun. The future success and reputation of the band depends on YOU. Have pride in your organization and its ideals, for you are now a part of what is truly a unique experience.

The motto of the Stampede is "CRESCENDO to Success!" Crescendo is an acronym that contains all of the qualities you will learn, demonstrate, and hopefully experience as part of the organization: Commitment, Responsibility, Enthusiasm, Satisfaction, Camaraderie, Enjoyment, Nerve, Dedication, and Opportunity. It is these qualities that lead to success, not only in band but also in life. Only about 2% of band members go on to a career in music, but in a national survey of former band students conducted by the Music Educators National Conference, 96% of them credit the lessons learned by taking part in band in high school and / or college to their successes in life. As a part of this organization, you will hopefully gain the tools to help you be successful now and in the future.

Your involvement in this organization will demand a lot of your time and energy. School, family, work, church, etc. all must be carefully balanced. It is not easy to be successful, but it is easy to be a failure. Failure is the road with the least resistance; it takes no hard work or special skills. Sometimes "outsiders" may ridicule the band because they don't understand or because they are simply insecure or jealous of your abilities and successes. Success is often the hardest road to travel but it is a journey worth taking.

I am very excited and honored that you have decided to join the Stampede. I sincerely hope that, years from now, you will look back on this experience as among the best memories of you life. The only way to make that happen is to jump in and "take the bull by the horns"! This manual has been created to help you to be able to do just that. I think that this manual will be almost as valuable to you as you are to the band. I look forward to working with you.

Scott McCloy

Behavior Guide

Students are expected to be ladies and gentlemen at all times. Band Members could be suspended from band and/or school for misconduct on buses, at rehearsals, during performances and at anytime during a band trip or function.

For any organization, particularly a large organization, to run smoothly and efficiently the overall discipline must be both strict and fair. The organization must come first! To insure fair treatment, and the Director's respect for the students, the following policy will apply to all members within the band.

Band and its activities, whether at home or on a trip, is an extension of school; therefore, ALL SCHOOL RULES APPLY 24 HOURS A DAY. The Director or his assignees may search instrument cases, luggage or motel rooms. See the Student Handbook and the Forsyth County Code of Discipline for more information and details.

1. Use of tobacco, drugs or alcohol will not be tolerated.
2. Use of "bad" or inappropriate language will not be tolerated.
3. Students should not be in the main school hallways after 4:00 PM during after school rehearsals.
4. Students not participating in a performance due to illness, excessive absences, etc. must still attend "in uniform" unless they are excused by a director.
5. Students must follow the Uniform Code.
6. Band members must honor the position and leadership of all band officers. The officers have earned their position through experience, training and testing. Unfair or unauthorized treatment should be brought to the director.
7. Band Officers found guilty of misconduct can lose their ranking.
8. Follow the directions of directors and chaperones at all times.
9. Headphones must be used with radios/players on the bus. Respect the rights of others.
10. Follow the itinerary at all times; any changes will be announced or posted by the director. Bring and wear a watch. "Someone said" is not a reason to change the rules or the itinerary.
11. No girls in boys' rooms or hallways, no boys in girls' rooms or hallways.

REMEMBER: YOU REPRESENT YOUR SCHOOL, YOUR DIRECTORS, YOUR PARENTS AND MOST IMPORTANTLY - YOURSELF!

Concert Etiquette

The following is a list of standard concert etiquette procedures for all concert functions. The Lambert High School Music Department would like to thank our audiences for their continued cooperation and support in our endeavor to teach everyone, young and old, proper concert etiquette and to create a concert environment that acknowledges respect for the student's hard work.

- Parents should try to attend all performances. You are the student's most important audience.
- If you happen to arrive late, enter the performance room only between musical selections. It is distracting to the audience and the performers when someone enters during a performance.
- Please stay for the entire program. If you must leave, do so between musical selections. Remember: all performers must stay the duration of the concert. Part of the educational process is for the younger players to hear the more advanced players.
- Please do not talk, pop chewing gum, or allow watches, beepers or cell phones to go off during a performance.
- Please applaud at the end of each selection performed by concert groups. Hold applause until all movements are completed in a multi-movement selection as indicated in the concert program.
- Please applaud immediately after a soloist's performance in a Jazz Ensemble performance only.
- Please do not take flash pictures during a performance.
- Please wear appropriate concert attire. Remember that adults are the visual role models for young people.

Respect for the Podium

This is a courtesy among musicians. Whoever is on the podium - Director, Band Officer or Band Parent - must be given the undivided attention of everyone in the room. All talking and playing must stop immediately.

Class homework can take various forms: after school rehearsals, performance, written research reports, reports on musical events, projects, individual practice records, and festival music Pass-offs, to name a few. Assignments will be made on a regular basis and must be completed on time. If a homework assignment is missed, the student will receive a grade of "0" for that assignment. Alternative homework assignments (such as attending after school marching band rehearsals) are often given to students who are involved with certain school sponsored extra-curricular activities such as marching band, cheerleading, football.

Student Handbook for more information about grading procedures.

Attendance Requirements for Curriculum Related After School Rehearsals

Attendance at every rehearsal and performance is vitally important. The BAND often functions together as a unit and sometimes separately. Any time you are absent, it diminishes the results obtained by all other members. Just as each link of a chain is important to the strength of the whole chain, you too are important to your section and the whole band. Please use the yearly planning calendar that is published and distributed each Spring for the NEXT school year. Plan in advance! Check the monthly calendars for details and updates.

Students NOT attending after-school rehearsals which are applicable to curriculum course work will receive a zero for that assignment until a make-up assignment is completed. Concert Band, Symphonic Band, Wind Ensemble, Color Guard, and Percussion Ensemble are regular curriculum courses. Occasional after-school rehearsals may be scheduled. These are considered to be an extension of the course which receives credit towards graduation (considered “homework”). Students having conflicts with other school sanctioned events or activities can be granted an “Excused” absence ONLY if the director is notified **in writing** at least one week in advance. A list of conflicting dates along with the name of the appropriate coach or sponsor must be submitted. Students may be expected to “split” the time between conflicting activities. Students who are absent from school on the day of assignment may be “Excused” as per LHS attendance policies. Make-up assignments are required regardless of the reason for the missed assignment. Student’s work and Homework must be made up by the second class period or as directed by the teacher. Absences (Excused or Unexcused) from rehearsals could result in suspension from a performance. Suspension could also affect participation in any band trips, participation certificates and senior recognition at the Annual Awards Program.

Tardiness and Leaving Early

CLASS: Students must be in the band room when the tardy bell rings. Students must be in their place and ready to start two minutes after the tardy bell rings. Students not ready to play on time will be considered tardy and can be assigned detention. Excessive tardiness will be referred to the appropriate school officials.

AFTER SCHOOL: Tardiness or leaving early will diminish the student's grade proportionally as indicated in the attendance policy as stated above.

STUDENT WORK OR JOB IS NEVER ACCEPTED AS A REASON FOR ABSENCE, LEAVING EARLY OR ARRIVING LATE!

Rehearsals and Performance are often scheduled a year in advance. Please plan accordingly.

THE STAMPEDE MARCHING PROGRAM

In addition to performing as part of the Stampede Marching Band, the Color Guard also participates in Winter Circuits such as Winter Guard Internationals and the Southern Association of Performance Arts. It is our philosophy that Winter Guard is the continuation of the Fall Guard. Skills developed in one activity provide foundations for the other. Members must participate in both Fall and Winter in order to receive yearly participation and Senior recognition. Only active Guard members are eligible for band travel during the current season.

Guard members are enrolled in a year long dance class. Guard members have the same obligations and privileges of all Stampede Members (please read the rest of the Band Manual). Physicals are not required but members must be in good physical condition.

Attendance Policy for Marching Band, Drumline, and Guard

Attendance at every rehearsal and performance is vitally important. The BAND often functions together as a unit and sometimes separately. Any time you are absent, it diminishes the results obtained by all other members. Just as each link of a chain is important to the strength of the whole chain, you too are important to your section and the whole band. Family vacations are excused only if the directors are notified in advance via the member's contract.

STUDENT WORK IS NEVER ACCEPTED AS A REASON FOR ABSENCE, LEAVING EARLY OR ARRIVING LATE TO A REHEARSAL OR PERFORMANCE!

Most rehearsals and performances are scheduled a year in advance. Please plan accordingly. If the sponsor or coach of another activity schedules a "surprise" conflict with your "contracted" schedule, you should inform that person that you have a previous obligation! Extenuating circumstances may be brought to the attention of a director.

Members who have two unexcused absences during a season (Fall or Winter) will be suspended from any band trip. Members who have more than two absences (excused or unexcused) could be suspended from all performances and activities at the discretion of the directors.

Suspensions will affect earning Service Bars, Band Letters and Senior recognition at the Band Banquet.

Unexcused tardiness or leaving early will constitute a percentage of an unexcused absence based on the time missed.

Only previously approved SCHOOL functions, illness from school, medical appointments (advance notification and doctor's office note required) or family emergencies (parent contact required) are considered "Excused." Directors have the authority to suspend a member from a performance due to attendance or other problems.

Members who are "suspended" from performances are still required to attend in uniform unless instructed by a director to do otherwise. Failure to do so will constitute an unexcused absence.

Fees for Marching Band, Concert Band, Symphonic Band, Wind Ensemble, Drumline, Guard

Every effort will be made to keep the costs to each member as low as possible. The Lambert Allied Stampede Support Organization (L.A.S.S.O.) provides a lot of the funding for the many components of the band. However, fees are necessary for transportation, uniforms, instruction, equipment, supplies and competition entry fees. At the beginning of each season, a budget is formulated and fees must be assessed for each member of their particular activity (or activities). These fees are often subject to the number of members who are participating. (Expenses divided by the number of participants.) These fees are assessed as part of the total Band budget and are crucial to the financial stability of the L.A.S.S.O. and the success of the entire program. Because we are new, we have had to take out a very large line of credit to allow us to start the organization with the proper equipment and supplies. Part of this amount is made up by band fees and the rest will be made up by fundraisers. Any member who breaks the membership contract during the season will be responsible for paying all fees for that season. Failure to do so would result in grades, schedules or diplomas to be withheld as per school policy.

Fees are to be paid as scheduled. After 10 days, a 10% late fee will be assessed for late payments on all fees and trip payments. To avoid the late fee, contact the L.A.S.S.O. Treasurer **in advance** if a late payment is necessary.

Please see the annual Lambert H.S. Band Fee and Purchases Form for more details.

Addendums for the Winter Season will be available in November (along with Member Contracts) for Winter Guard and Indoor Drumline.

More information on fees and fund raising opportunities will be available at Band Booster Meetings throughout the year.

Band Travel and Trips

- Students sign-up for the bus they wish to ride. Seniors sign up first and may sign up one other band member.
- All students must ride the bus to all band functions unless special permission and arrangements have been made in advance between the director and the student's parents.
- Students may ride home with a parent or other responsible and authorized individual provided that the student turns in a permission note from the parents to the adult chaperones on his or her bus.
- Each student is responsible for assuring that their instrument, uniform, etc., is loaded and unloaded from the bus or the equipment truck.
- Always adhere to the policies under "Expectations" and "Evaluations."
- Always adhere to the policies in the "Behavior Guide."
- The bus driver and chaperones are in charge while on the buses. Listen for roll call and other instructions.
- Nothing should ever be thrown from the bus windows. Keep heads, arms and legs out of the windows.
- When needed, an itinerary is provided to each band member with specifics about the trip.

Stadium Responsibilities

- Report on time as indicated on the most current Band Calendar.
- Band members must sit in assigned areas by sections.
- Uniforms must be properly worn at all times unless instructed otherwise by the director. Band Members must wear the Band T-shirt in order to be allowed to remove their uniform coats.

- Drinks and Food are allowed only during third quarter break.

Inspection

Inspection is conducted before each public performance. Infractions could result in the student not being allowed to perform. Infractions could result in students not receiving full credit for the performance and possibly losing their third quarter break. The following items will be checked:

- Promptness (don't be late!)
- Neatness and cleanliness of the uniform
- Uniform properly worn, including T-shirt
- Low Shine Black (Dinkle) shoes and black socks
- Instrument in proper working order (reeds, tuning slides, etc.)
- No large visible jewelry
- No long hair over the collar while wearing a band hat
- Identification numbers for uniforms must be memorized

Uniforms

The Band Uniform should be worn at such times and places as designated by the director. It must be worn properly and with the respect that it commands. Remember, the uniform represents you and the Stampede! The uniform coat, pants, gloves, hat and plume are provided to the student. Part of the membership fees pay for the uniform usage fee (a yearly uniform usage and maintenance fee that goes into a special account for the purchase of new uniforms, and replacement and repair of the current uniforms). In the event that the uniform or any accessory is damaged or lost, the student will be required to pay for the replacement of that item. Also included in the members' fees is the Band "Theme" T-shirt and cleaning fee. Band members are responsible for the purchase of their "bibbers" (band pants) and band shoes (Dinkles). Details will be presented on the LHS Band Fee and Purchases Form.

Guard Members will be required to purchase uniform items as prescribed by the directors in accordance to the particular show theme and needs.

Instruments and Accessories

*Students and Parents are reminded that a craftsman is only as good as his tools. Musicians must have quality instruments that play well in order for them to perform to the best of their abilities. Unfortunately, many beginners start out on "beginner" instruments that do not play as well as "intermediate" or "professional" type instruments. Serious High School Musicians should consider stepping up to one of these type instruments. **Symphonic Clarinet players are expected to have quality wood (not plastic) clarinets. Symphonic Alto Sax players are expected to have a Larry Teal Mouthpiece.** Please talk to a director before purchasing a new instrument.*

Reeds - Clarinet and Saxophone players must have at least 4 reeds in good playing order at all times. Reeds are available from many area music stores. (LaVoz, Vandoren, Mitchell Lurie are some of the recommended brands. Rico Reeds are for beginners)

Mutes - Brass players are required to have their own straight mutes when called for in the music.

Sticks and Mallets - Some drum sticks and keyboard mallets will be provided for the students. Certain mallets and sticks must be purchased as designated by Miss. Mashburn.

Printed Music - Each band member is provided with a music folder and individual copies of all music. The student must bring their own folder and a pencil to each rehearsal. Make sure that the music is not left on the stand, on the floor, in a chair, etc. Do not store your folder inside your case, unless there is a compartment designed for that purpose, because damage to the instrument could occur. Students will be charged 25 cents for each replacement copy.

School Owned Instruments

Certain instruments are available, free of charge, for student use. These are generally the larger instruments such as Tuba, Baritone, Bass Clarinets, French Horns and the Percussion Instruments. All students are reminded that they have a responsibility to school owned equipment and instruments. Unnecessary damage or loss of these instruments is the responsibility of, and must be paid for, by the student. Failure to comply will result in forfeiture of the use of the instrument. The student's name will also be placed on the school's obligation list, which could result in the holding of grades and class schedule.
