

Returning Student Dual Enrollment Process

Step 2 - GaFutures and Funding App

Log into gafutures.org. Complete the student and parent/guardian portion of the [GaFutures Funding Application](#) for the 24-25 school year. This must be completed each year.

Step 4 - Course Selection

Research college courses you want to take on the [DE Course Directory](#) and be prepared to share with your counselor. Counselors will be available at the following times to add courses to gaFutures for funding approval. If a student exceeds their 30 credit hour limit and wishes to self-pay for courses, courses must still be communicated with the counselor during these times.

1. March 6th (8-10am)
2. March 20th (8-10am)
3. April 10th (1:30-3:30pm)
4. April 26th (8-10am)
5. May 10th (1:30-3:30pm)

Step 5 - Course Registration

Summer Priority Registration:

Before April 26th, 2024

Fall Priority Registration:

Before May 10th, 2024

Spring Priority Registration:

Before Nov 21st, 2024

Provide a copy of your course registration to your counselor. High School schedule will be adjusted accordingly.

Step 1 - Student Intent to Participate Form

Parent logs into the Parent Portal of Infinite Campus and completes the Student Intent to Participate Form electronically. This must be completed each year by the parent. Available From: JANUARY 24TH- APRIL 26TH.

Step 3 - Application or Re-Applying

Apply to the college of your choice and submit required documentation by April 26th.

If you are a continuing Dual Enrollment student, no additional steps are necessary. If you attended courses in the summer (and not during the school year) and plan to take summer courses again, you will need to reapply.

1. Testing

- a. To request PSAT scores, complete [this form](#) after January 24th.
- b. SAT/ACT Tests must be submitted via Collegeboard/ACT.
- c. Accuplacer Tests are offered at the local technical college and scheduled with them.

2. Transcript requests must be submitted through Parchment.

Georgia Tech students follow steps 1, 2, & 4 prior to the April 26th deadline. GT students must apply to the college when the Fall application opens in May/June.
