

Child Safety Seat Information

Did you know car crashes are the leading cause of death in children ages 1 to 12? Improperly used seats and restraints or having the wrong seat for your child's height and weight can lead to devastating injuries or death in car crashes.

Here are some resources to help you ensure the safety of your child while riding in your vehicle.

This page provides an overview of the Georgia Laws governing use of Child Safety Seats.

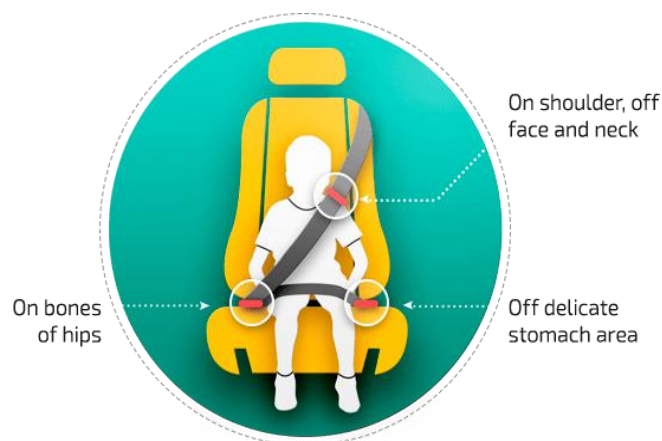

If you would like to have your Child Safety Seats inspected by a professional ****FREE OF CHARGE****, you can schedule an appointment to have their child's safety seat inspected and installed by a child passenger safety technician anytime year-round at a participating county fire station. Inspections can be scheduled for **Tuesdays at Fire Station 2 (4055 Carolene Way)** and **Thursdays at Fire Station 12 (3530 Settingdown Rd.)**.

Call (770) 205-5699 Monday through Friday to schedule an appointment for a car seat check.

Please take the opportunity to educate yourselves on the best practices to keep your children safe when riding in your vehicle and go get a FREE Child Safety Seat Checkup!!

Thank you,

Deputy Rogers
