*Welcome home, Patriots!*

Join us virtually through Microsoft LIVE as we share about the middle school experience at Liberty and what you and your student can expect for the next three years as Liberty Patriots.

Session will be recorded for families unable to join live and posted on our website.

### *Review Course Recommendations in Parent Portal*

Login to your Parent Portal account to review the courses recommended for your student. All students should have an ELA, Math, Science, Social Studies, and Study Skills/Support class recommendation (5 total). If you would like to request a consideration for change to any of the recommendations listed, please do so [HERE](#) (form will be active April 12-23).

Want to know more about the difference in class levels? Click [HERE](#) to review our Information Night presentation, or join us live on March 17 @ 6:00 P.M.

**APRIL

### *Elective Requests in Parent Portal*

Most Connections courses rotate each quarter and are randomly assigned, to give students a sampling of many different classes (similar to Specials in elementary school). However, if your student is interested in yearlong Band and/or yearlong Musical Theater as one of their Connections courses, please login to Parent Portal and follow these directions to add these course requests to your student's profile.

Want to know more about our Connections offerings? Click [HERE](#) to review our Information Night presentation, or join us live on March 17 @ 6:00 P.M.
