

Good Morning Panthers!

I want to say thank you to everyone who came out and joined us last week for our parent meeting. It is truly one of my favorite nights of the year. I enjoy the opportunity to get to meet you in person and share a little about myself and our great program here at Riverwatch.

If you were unable to attend- this email contain several important pieces of information. Below are links that will take you to our season calendar and our registration packet. There is also another link that will allow you to view the slide show presentation I prepared for out information meeting.

What now? If you are planning on joining us for the 2020 season there are a few things we need to do:

1.) If it is at all possible I encourage your player to join us at Athletic Development Tuesdays and Thursdays from 4:30-5:45

2.) Complete the spring registration form and turn it in now. Thank you to all of those that have already done this- it is extremely helpful in my planning to know who is coming sooner rather than later.

3.) Get a current FCSS Athletic Physical on file with the school. Even if you child is registered for spring, they will not be allowed to participate in practice without a current Athletics Physical on file here at the school. My recommendation is to wait until after April 1st. A physical dated after 4/1 will be good through the end of the 20/21 school year. [Physical forms can be found here](#)

I could not be more excited about our upcoming football season. Being a part of the football program here at RMS not only means you will be a part of a winning Football tradition- but it also means your child will be walking away more prepared to be a young adult in today's world.

If you have any concerns or questions about playing football or the program in general please feel free to set up a time to come meet with me in person or via a phone call.

I look forward to accomplishing great things!

GO PANTHERS!!

Brian Sudderth  
Head Football Coach  
Athletic Director
