

# South Forsyth Middle School Band

## Private Lesson List

Private lessons will help elevate your students' performance level and personalize their learning. With the rigor that is placed on our students we believe that private lessons should NOT be mandatory, but we do **highly recommend** private lessons if your student wishes to accelerate their progression on their instrument.

*\*The instructors are listed down below by instrument. Contact information has been listed, please contact them on your own if you wish to begin taking lessons\**
