General Information: Teachers have made core academic recommendations
At this time, students must verify course selection and make additional elective choices.
Should you disagree with the teacher recommendation(s), please complete the online course waiver on the NFHS website.
Courses that end in "y" are year-long courses. Courses that end in "s" are semester courses. Therefore, students who select a semester course must select two "s" courses to balance their schedule. Ex- Drivers Education/ World Geography
Courses with a teacher name, instead of a course number, require that teacher's approval for placement/application/audition. An * designates an application must be completed. See the teacher and/or 2024-2025 Registration link on the NFHS website for a copy of the application.
Select the number of elective courses to equal a 7-period day. In the portal, you will see 100% complete when you have a complete schedule.
You must select 3 alternates in the event your course selections conflict.
