**NORTH FORSYTH**

9th Grade Frequently Asked Questions

**1. Will my child have the opportunity to change their mind about electives and pathways after selections are made in parent portal?**
- Elective registration is from Tuesday, January 24 at 8am to Monday, January 30 at 4pm. You may make changes during this time frame. Students are encouraged to make their selections and choose three alternate selections in the event that your student does not get their first choice. Once the portal is closed on January 30th there will not be a chance to amend these choices. If you select a semester class "s", please select 2 to ensure a full schedule.

**2. Will my child have an opportunity to change the courses their 8th grade teacher recommended for the upcoming school year?**
- Yes, during the waiver period students can elect to take another course as long as your student has the pre-requisite to take the course. The waiver period is from January 24 at 8AM through January 30 at 4pm. Note: Any student who waives into a course MUST stay with that choice. Students are NOT allowed to drop out of any course that he/she waived into.

**3. What is the purpose of the course waiver?**
- The purpose of the course waiver is for students and/or parents to disagree with the recommended courses made by the student's teacher. Students and/or parents will need to complete the course waiver if you want to change a core academic or elective class a student has been recommended for.

**4. I am typing in an elective course and it is not working. Why can I not add this elective?**
- This may be happening for a couple of reasons. Some electives require a prerequisite course. If you have not taken the prerequisite course, you will not be able to sign up for the class. If you are looking to add an upper level world language course, your teacher must recommend you for the course. If you would like to add these upper level courses despite the teacher recommendation, you will have to fill out the waiver form. Some classes may also require an application. Students will not be able to select these in the portal, they will be added after acceptance from the application.

**5. What are alternate courses?**
- If an elective class fills up, we utilize an identified alternate course to ensure a complete schedule. Another scenario would be if there is a conflict with the elective courses selected. We do the best we can to put you in all your first choice electives; however, we cannot always accomplish this goal.

**6. If I have submitted an application for a course, when will my schedule reflect the class(es) I have applied for?**
- Once the completed applications have been turned in and the teachers have accepted or denied students for these classes, counselors will adjust schedules accordingly. Application courses include Office Aide, Newspaper, IE2 (Seniors only), Raider Station, Yearbook, Library Science, AP Capstone, Internship Forsyth.

**7. Should I take Health/Personal Fitness in the summer?**
- There is no recommendation to take these courses over the summer; however, if you choose to do so there is a protocol that must be followed in order to receive credit for the course. If you choose to take these state REQUIRED courses over the summer it is your responsibility to bring the transcript for each course to NFHS. The parent of the student MUST sign the transcript and state, "as the parent of ___ student I understand that once we submit this transcript it is permanently recorded and cannot be removed for any reason." NOTE: STUDENTS WILL NOT BE GUARANTEED AN ELECTIVE CHOICE BECAUSE THEY DECIDED TO TAKE THESE COURSES DURING THE SUMMER. ELECTIVES WILL BE CHOSEN BASED ON SEATS AVAILABLE. We encourage you to select Forsyth Virtual Academy if your student chooses to take the course over the summer.

9th Grade Frequently Asked Questions

**8. Should I take virtual courses?**
- Every family should evaluate their student's ability to manage virtual courses and online learning. Information regarding Georgia Virtual and/or Forsyth Virtual registration will be shared through our website later this spring.

**9. What time does school start and end?**
- School starts at 8:25 am and ends at 3:40pm.

**10. How much time do I have between classes?**
- There is a 6-minute transition period between classes.

**11. What do I bring the first day of school?**
- Each teacher will advise your student about their expectations for supplies. The first day they should bring paper and pen/pencil and one folder/notebook.

**12. Can I prepay my lunch account like I did in middle school?**
- Yes, you may login to MyPaymentsPlus (MPP) and put money on your account. Please see our website, under "Quick Links" for this URL if you are unfamiliar.

**13. When will I eat lunch?**
- We eat lunch during 4th period or 5th period, depending on the daily bell schedule.

**14. Where do I catch the bus, and when will it pick me up?**
- All bus routes are available in Parent Portal. It is important to find your bus number, time of pick up, and the afternoon slot number so you know where to find your bus at the end of the day.

**15. How do I join a club?**
- We will host Club-a-palazoo (a club fair) for all students at the beginning of the school year, during Raider Time. Students can view all club offerings on the NFHS website, under the Extracurricular tab.

**16. What is Raider Time?**
- Raider Time is a dedicated time built into the schedule for students to receive remediation, enrichment and extra help from teachers. Students will register for a Raider Time session each day of the week through a program in ClassLink called Flex Time Manager.

**17. How do I join a sports team?**
- Check the NFHS website at NFraidersathletics.com for a complete list of our sports programs by season. All sports teams will require a tryout and physical, so make sure you check early in the year so as not to miss out.

**18. Will I be able to purchase a locker?**
- Yes, students will have the opportunity to purchase a locker at the beginning of the year, if they are interested.

You can access information regarding registration on the NFHS website, under Student Services, Counseling, Course Registration:

## North Forsyth High School: 9th Grade 2023-24 Course Selection Sheet

**General Information:** Teachers have made core academic recommendations.

-At this time, students must verify course selection and make additional elective choices.

-Should you disagree with the teacher recommendation(s), please complete the online course waiver on the NFHS website.

-Courses that end in "y" are year-long courses. Courses that end in "s" are semester courses. Therefore, students who select a semester course must select two "s" courses to balance their schedule.

- Courses with a teacher name, instead of a course number, require that teacher's approval for placement/application/audition. An * designates an application must be completed. See the teacher and/or 2023-2024 Registration link on the NFHS website for a copy of the application.

-Select the number of elective courses to equal a 7-period day. In the portal, you will see 100% complete when you have a complete schedule. You must select 3 alternates.
