International Baccalaureate Organization

The International Baccalaureate Organization (IBO) is a nonprofit foundation with its headquarters in Geneva, Switzerland, and was founded in 1968. It provides interrelated academic and career programs to schools in over 150 countries. The IB Diploma Program incorporates a rigorous curriculum which provides perhaps the most thorough preparation for university-level study available. The IB Career-Related Program incorporates the values of IB into a unique program addressing the needs of students engaged in career-related education. IB teachers strive for a shared academic experience emphasizing critical thinking and exposure to a variety of viewpoints, and fostering tolerance and intercultural understanding among our students.
