

Advanced Placement Exam Registration 2019-2020

South Forsyth High School

Regular AP Exam Registration
August 8, 2019 – October 28, 2019

- Read the Advanced Placement Exam Schedule for May 2020 and the following information carefully. Please keep this letter and use it for your reference until your exams.
- If you wish to take an AP exam scheduled for the same time and same day as an IB exam (see reverse), you will have to **take the IB Exam on that day and take a late test for the AP exam.** Please register for your AP exam and then contact Mr. Tom Wolff twolff@forsyth.k12.ga.us as soon as possible, so we can make special arrangements for you to take your AP exam on the LATE TESTING date. **Please let us know of exam conflicts no later than October 28, 2019.**
- If you wish not to take an AP exam scheduled or you are already registered to take an AP exam and there is a conflict that would prevent you from taking the exam at that time, please contact Mr. Wolff as soon as possible to discuss your situation. We may not be able to help you without enough advanced notice.
- If you wish to take an AP exam and require special testing accommodations, please contact Mr. Jonathan Schreier **immediately** at jschreier@forsyth.k12.ga.us.
- Students participating in the *Free and Reduced Lunch Program* should indicate so on their registration. Registrations will then be placed in a queue for approval of the student’s qualification and fee reduction. If further documentation is required, we will contact the student’s parents.
- You can only register for your AP exams online via Total Registration during the registration window. **Registration opens on Wednesday, August 7th and closes at 11:00 PM on Monday, October 28th, 2019.** Late registrations will incur a \$40 fee. No late exams will be accepted after March 11, 2020. Please contact Mr. Wolff or your AP teacher if you are experiencing difficulties as soon as possible.
- **This year, registering for your AP exams is a two-step process.** First, login to www.myap.collegeboard.com and enter the “join code” for your course and select “yes” indicating that you are taking the exam. Next, go to www.totalregistration.net/AP/110922. Login and follow the specific instructions. *You may pay with a credit card at this site or you may print off your registration confirmation and bring it to Mrs. Melissa McCance in the West Hall office with a check (payable to SFHS) for your registration (no cash will be accepted). Please write the student’s name on the check. All payments must be received by 3:00 PM on Monday, October 28th, 2019 to avoid exam cancellation.*
- Students enrolled in an AP STEM course will receive one AP STEM exam at no cost due to recent changes in the state legislature. The list of qualifying AP STEM exams is below:

AP Biology	AP Chemistry	AP Physics 1
AP Calculus AB	AP Computer Science A	AP Physics C: Electricity and Magnetism
AP Calculus BC	AP Computer Science Principles	AP Physics C: Mechanics
	AP Environmental Science	AP Statistics

The 2019-20 cost for AP Exams is as follows:

- One-time testing administration fee per student = \$25
- First** AP STEM exam = \$0 (see AP STEM list above)
- Each regular AP Exam = \$94
- AP Seminar/Research Exam = \$142

For example, a student taking two AP STEM exams and one non-STEM exam would pay:

Exams	Cost to Student
AP Calculus BC	\$25 Administration Fee
AP Physics I	\$0 for first STEM exam (1)
AP US Government	\$94 per each additional exam (2) = \$188
	Total Cost = \$213

IMPORTANT: *If you are taking an AP STEM exam (see list above), you will not be able to pay for your exams until after the AP STEM fee waiver has been applied. After registering online for your exams, we will apply the waiver to one of your AP STEM exams (this process could take up to 72 hours). After the fee waiver has been applied, you will receive an email with a new balance. You will then be able to go back to Total Registration and pay your fees online.*

Failure to arrive on time to an exam, mistake the location, confuse the date or any other scheduling errors on the part of the student will FORFEIT the exam fee and no make-up exam will be offered.

Please plan accordingly and arrive early for your AP Exams.

2020 AP Testing Calendar

Day/date	7:30 AM EXAM	11:30 AM EXAM
Monday, May 4, 2020	US Government & Politics	Physics C: Mechanics 1:30 p.m. - Physics C: E & M
