

West Forsyth High School Contract for IE2 Scheduling Option  
**RETURN COMPLETED CONTRACT TO COUNSELING OFFICE BY April 30<sup>TH</sup>, 2021**

Student Name: \_\_\_\_\_ (please print)

Eligible seniors at WFHS may choose to participate in a shortened school day program that will allow them to meet all remaining high school graduation requirements, while attending fewer classes than the regular 7 period day.

**Students participating in the shortened school day program are eligible to participate in activities/athletics sanctioned by the Georgia High School Association (GHSA). However, to remain eligible to participate in a sanctioned event, the student must follow all GHSA rules and regulations, which include earning a minimum of 2.5 Carnegie units of credit for each semester (or 5 classes). Please note that if you only take 5 classes, you must pass all five to remain eligible. It is our recommendation that GHSA involved students (athletes, One Act, etc.) take 6 classes.**

\*If I do not earn credit for all classes in the 21-22 school year, it is my responsibility to notify my counselor to determine how -my schedule should be modified.

\*I will attend all classes as scheduled by WFHS, including Instructional Focus.

\*I understand that there is no guarantee that my required classes can be scheduled to allow for a shortened day schedule.

\*I understand that my schedule is set for the entire 21-22 school year.

\*I will (leave and/or arrive) on campus immediately (after/before) my (last/first) class and remain (off/or not report) to campus until the (end/beginning time) of the (first/last) class. I must provide my own transportation. **An abbreviated school day does not guarantee a parking pass.**

\*I will follow the Code of Conduct, Attendance Policy, and WFHS rules as listed in the Handbook.

\*I understand that if I have ISS for a consequence, it will be the entire school day (7 periods).

\*I understand that a shortened school day may negatively impact my GHSA eligibility, my NCAA eligibility, and/or college acceptance. I accept responsibility for contacting these organizations/schools to determine if a shortened school day is an appropriate decision for me based on my postsecondary plans, my GPA, and my HOPE GPA. **Students seeking entry into competitive colleges will want to experience a more rigorous senior year.**

\*I accept responsibility for getting deadlines and graduation information.

\*I accept responsibility for my behavior after I leave campus and/or report to campus.
