

G3 DAY AT THE GROVE

May 19, 2023

Grizzlies Great Day of Giving at Piney Grove Middle School is a day like no other. Students serve our community through doing service projects, learning about local organizations, and practice working with their peers with the goal making another person's day better. Service Projects

G3 starts before May 19th in our Grade War efforts, where most of the food and hygiene products are directly donated. Our 6th and 7th grade students work with their peers to assemble snack bags, hygiene kits, summer fun kits, cat and dog toys, and other projects. The 8th grade students take buses to local schools, libraries, churches, and charities and volunteer completing tasks like preparing for kid's summer reading, hanging with the animals at the shelter, and playing games with assisted living residents.

G3 includes you.

Piney Grove families pay their G3 Fee to cover student t-shirts, lunch, and the supplies needed for all of the service project supplies. There are also corporate and family sponsors, and families that pay for other students. We are able to help fill food pantries for summer, offer kids kits, and lots of other supplies needed by others in our community. Consider serving with us next year! Visit G3 on the Piney Grove Middle School website. We would love to have your support.
