## About Lambert High School

Longhorn pride is felt as soon as you walk into the doors of Lambert High School. From the spirit wear that students proudly sport to the walls covered with the logo, Lambert High School is a very recognizable brand in the area and rest of the state. The community is joining in the pride of being a Longhorn as the "Horns" are on cars, worn on shirts, current and future Longhorn parents are present at sporting and fine arts activities. Often, we are regaled with stories of Lambert High School Alumni who are making waves and changing the world. Lambert currently has students present at each of the military academies, most of the Ivy League schools, and nearly any university you can mention. Our school is composed of grades 9 through 12, and that equals approximately 3000 students.
