School and Community

- Located in Forsyth County, north of Atlanta; one of the fastest growing counties in the state of Georgia
- Over 3,200 students in grades 9-12; approximately 780 seniors
- 49% of our senior class participates in Dual Enrollment
- Ranked #9 in Georgia & #325 Nationally, US News & World Report
- Offers a variety of academic courses, clubs, and sports, including 15 pathways in 9 different career exploration areas
- Compete in the 6AAAAAA region for athletics
- 37 National Merit Semifinalists in Fall 2024
- Students accepted at military academies and Ivy League schools

Graduation Requirements

- English/Language Arts - 4
- Mathematics - 4
- Science - 4
- Social Studies - 3
- Health/PE - 1
- CTAE/Fine Arts/World Language - 3
- Electives - 4
- 23 Credits Total

Students must take End of Course (EOC) tests in American Literature, Algebra I, United States History, and Biology.

2024-25

Demographics

- Asian: 52.33%
- White: 33.07%
- Hispanic: 6.06%
- Black: 4.34%
- Multi-Racial: 3.75%
- American Indian/Alaskan Native: 0.40%
- Pacific Islander: 0.03%

Students can take 7 courses a year at LHS. These courses can be taken in-person, through online programs, and/or through dual enrollment. Forsyth County Schools (FCS) also allows students to add self-pay online courses to their transcript that have been taken outside of the school day. We ask that no student be penalized for taking only the maximum 7 periods allotted in their LHS schedule.

Course Credit and Scheduling Considerations

In Forsyth County Schools, students are placed on a math track in middle school, and strict guidelines govern math curriculum and prerequisites. For example, Advanced Algebra Honors and Accelerated Geometry B/Advanced Algebra are the prerequisites for AP Precalculus, and students who have not taken AP Precalculus are recommended to take an introductory Calculus course before taking AP Calculus AB or BC. For students who do not intend to study AP Precalculus, the district offers College Readiness Mathematics, which is aligned to the CLEP College Algebra test (for which students can then earn 3 hours of College Algebra credit). The district also offers AP Statistics as a 4th math option for students who want to attempt to earn college credit based on their AP exam score. Please do not penalize students who are not able to take an AP math course if they have taken the highest-level math courses available to them.

Letter Grade	%	GPA Weight	AP/DE GPA Weight*
A	90-100	4.0	5.0
B	80-89	3.0	4.0
C	70-79	2.0	3.0
F	0-69	0	0

*1 Quality point added to AP/DE courses only

<p><i>Class of 2024</i> <i>Post-Secondary Plans & Test Scores</i></p> <p>4-year colleges: 91%</p> <p>2-year colleges: 4%</p> <p>Average ACT Score: 26.2</p> <p>Average SAT Score: 1246</p>

Grade Level	# of AP Courses Allowed
9	1
10*	2-5
11	7
12	7

*10th graders must meet strict requirements to enroll in AP courses.

Advanced Placement Courses Offered - 32
