

Out of District Process for Redistricted Students
21/22

High School

There are four reasons current High School redistricted student can apply for an OOD to remain at their current school.

- **Rising 12th graders** who have been redistricted will remain at their current school for the 2021-22 school year by completing an OOD form (East HS will open with grades 9-11).
- Students who have completed two years of the same CTAE **Career Pathway** that will not be offered at their districted school and need the third and final class to receive recognized industry certification may stay at their existing school by completing an OOD form. The student must be currently enrolled in the second class this 2020-21 school year and can complete the third and final class during the 2021-22 school year.
- North Forsyth HS, West Forsyth HS, and Forsyth Central HS students who are currently a Varsity Letter contributor on the Varsity Football Team at these schools will be allowed to remain at their current school as East Forsyth HS will not open with a Varsity Football Team in the 2021-22 school year.
- Students who are currently involved in the Orchestra program at Forsyth Central HS or West Forsyth HS.

Siblings of Redistricted Students:

Siblings of redistricted High School students who apply for an OOD for one of the reasons listed above may apply for OOD to attend the same High School. If approved, these students would remain at the approved High School until graduation as long as they remain in good standing.

Middle School

Rising 8th graders may apply for an OOD to remain at their current school for the final year. Siblings of these students may apply for an OOD for one year only.

The OOD process will open on December 1st and close on January 18th. Parents with approved OOD requests must provide their own transportation. Seniors who were redistricted to East High School, and do not have a choice but to remain at their current school may request bus transportation if needed.
