AFTERNOON DISMISSAL

The safety of students is one of our utmost responsibilities. As long as everyone can abide by the rules of afternoon dismissal to help ensure safety, all students will be dismissed at the last bell which will ring at 4:15. If the safety of students is called into question in regards to afternoon dismissal, the administration will institute a staggered dismissal.

Rules of Afternoon Dismissal

- Bus Riders will exit down the Connections hallway out by the gym.
- Car Riders will exit out the front door and wait on the side walk directly in front of the school.
- Students will not be allowed to enter the cars until the car line has pulled all the way forward and all cars have come to a stop.
- Students will not enter cars parked on the access road or waiting in the car line.
- Walkers will only cross at the cross walks and will need to make eye contact with drivers in order to ensure their safe crossing.

Staggered Dismissal

- The bell that releases students in the afternoon will no longer ring. All dismissal will be conducted via intercom.
- Bus Riders will be dismissed at 4:15 pm.
- Car Riders will be dismissed at 4:20 pm.
- Walkers will be dismissed when the car line has been reduced to a safe length that will ensure the safety of students walking along the access road and using the cross walks.

AGENDA BOOKS

The purpose of the book is to provide organization of homework and project assignments, as well as for parents to be knowledgeable about school assignments and communicate with the school on a regular basis. The agenda costs $10.00 and is available through the School Store located in the Media Center.

ATTENDANCE

Regular attendance is essential to success in school. As permitted under the State Board of Education Rule 160-5-1-.10, the Georgia Compulsory Education Law O.C.G.A. § 20-2-690.1, and Forsyth County Board of Education policy, students may be excused for the following reasons:
1. Personal illness or attendance in school that endangers a student’s health or the health of others.
2. A serious illness or death in a student’s immediate family necessitating absence from school.
3. A court order or an order by a governmental agency, including pre-induction physical examinations for service in the armed forces, mandating absence from school.
4. The observance of religious holidays, necessitating absence from school.
5. Conditions rendering attendance impossible or hazardous to student health or safety.
6. A scheduled medical, dental, or eye examination of the student.
7. Registering to vote or voting.
8. Visiting with a parent or legal guardian who is in military service in the armed forces and has been called to duty for or is on leave from overseas deployment to a combat zone or combat support post. The student may be excused for a maximum of five (5) days per school year.

Students shall be counted present when they are serving as a page in the Georgia General Assembly. Students who are in foster care are to be counted present at school when attending court proceedings related to their care and placement.

Non-school related activities and vacations are considered unexcused.

Absences:
The parent/guardian must submit a note, fax or email to the attendance clerk within five (5) school days for an absence to be considered excused. Attendance Fax Number: 678-965-5081 or Attendance email: kmueller@forsyth.k12.ga.us. The note must include the student’s name, the date(s) of absence(s), and the reason for the absence. It is the responsibility of the parent(s)/guardian(s) to be in communication with the student’s teacher(s) and/or office staff when a student is absent, especially when it is for more than one day. The principal may require students to present appropriate medical or other documentation upon return to school for the purpose of validating that absences are excused.

In case of extended illness, hospitalization, or injury, the parent should apply for hospital homebound service. Hospital homebound service should be applied for immediately when absences of ten (10) days or more are anticipated for the student.

Consequences:
If a student has excessive absences, early check-outs, and/or late check-ins, the student and/or the parent may be referred to the School Social Worker, Juvenile Court, State Court, and/or Department of Family and Children Services. A parent/guardian who violates the compulsory attendance law shall be guilty of a misdemeanor and upon conviction thereof, shall be subject to a fine not less than $25.00 and not greater than $100.00, imprisonment not to exceed 30 days, community service, or any combination of such penalties at the discretion of the court having jurisdiction. Each day’s absence from school is considered a violation.
Make-up Work:
It is the student’s responsibility to turn in make-up work when he/she is absent from school. Parents/guardians and students are encouraged to retrieve missed lessons and work from itslearning. The student has five (5) school days to make up work. The teacher has the discretion to grant a longer period to make up work if there are extenuating circumstances.

Late Check-in or Early Check-out:
An unexcused late check-in or early check-out is defined as any time a student arrives late to school or leaves school early for a reason other than those defined by the State Board of Education as an excused absence. A combination of three unexcused late check-ins and/or early check-outs will be considered one unexcused absence. Students who miss more than half of the time in any class will be considered absent for that class period. When possible, medical and dental appointments should be made outside of school hours. If a student is being checked in or checked out for a doctor’s appointment, a parent note, physician’s note, or appointment card is required within 5 school days to be considered excused. After the tenth late check-in or early check-out, a physician’s note or appointment card is required within 5 school days to be considered excused.

Check-in: Parents must sign their child in upon late arrival.

Check-out: If it is necessary for a student to check out early due to illness, the student must be assessed by the school nurse and meet assessment criteria for the school to excuse the absence. Parents may submit a note to excuse an early check-out due to illness. Students who are frequently absent, tardy, or check out early from school may be required by the school administration to provide medical documentation to validate any absence, tardy or early check-out as excused.

CHRONIC ILLNESS

Student conditions that will require daily or immediate care should be brought to the attention of the school nurse at the beginning of each school year. Conditions such as diabetes, seizures, severe allergies, etc. will require that a Medical Action/Care Plan be filed annually in the school clinic. This updated action plan must be completed and signed by both parent and physician. The forms may be found on the Lakeside website in services/health/forms or obtained in the school front office. The clinic goal is to be knowledgeable and prepared to assist all students to have an optimal learning experience at Lakeside.

The clinic is located in the main office and is for emergencies only. Students are to have a teacher’s pass to visit the clinic. If a student decides during a transition period that she/he needs to visit the clinic, she or he should report to the next class and immediately ask the teacher for permission to go to the clinic. Band-Aids and gloves are available in each class. The clinic has a limited supply of products for personal use IN EMERGENCIES ONLY. In the event a student is too ill to attend classes, a parent will be notified to make arrangements to pick up the student.

**NOTICE TO PARENTS/GUARDIANS AND ELIGIBLE STUDENT OF RIGHTS UNDER THE FAMILY EDUCATIONAL RIGHTS PRIVACY ACT (FERPA) AND THE PROTECTION OF PUPIL RIGHTS AMENDMENT (PPRA):**

Under the Family Educational Rights and Privacy Act (20 U.S.C. 1232g) (the “Act”), parents/guardians have a right to:

1. Inspect and review, within 45 days of a request, the education records of a student who is their child, or in the case of a student who is eighteen (18) years of age or older, or those who are emancipated, their own education records. Parents/guardians or eligible students should submit to their principal a written request identifying the record(s) they wish to inspect. The principal will make arrangements for access and provide notice of such arrangements.

2. Request the amendment of the student’s education records to ensure that they are not inaccurate, misleading, or otherwise in violation of the student’s privacy or other rights. To request the school district to amend a record, parent/guardian or eligible students should write the school principal, specify the part of the record they want changed, and specify why it is inaccurate, misleading, or otherwise in violation of the student’s privacy or other rights. If the district decides not to amend the record, it will notify the parent/guardian or eligible students of the decision and inform them of their right to a hearing. Additional information regarding the hearing procedure will be provided with the notification of the right to a hearing.

3. Consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that the Act and the regulations promulgated pursuant to the Act authorize disclosure without consent. One exception which permits disclosure without consent is to school officials with legitimate educational interest. The principal will take reasonable steps to control the media’s access to students. However, parent/guardian submission of a written objection does not constitute a guarantee that their student will not be interviewed in circumstances which are not within the knowledge or control of the principal.

Protection of Pupil Rights Amendment (PPRA) Notice:
No student shall be required to submit to a survey, analysis, or evaluation that reveals information concerning:
0. Political affiliations or beliefs of the student or the student’s parent;

MEDIA CENTER INFORMATION

The Media Center is the hub of information for Lakeside students and teachers providing resources and instruction to enhance and support the curriculum. All networked computers in the school access the online catalog where students may check availability of materials, reserve books, and inquire about specific topics. The media specialist and media assistant provide instruction and assistance in locating information and resources. The media center is open throughout the school day and also houses a school store, which sells pencils, paper, pens, poster board, flash drives, computer disks, and a variety of other school supplies.

Media Center Guidelines:
- Show courtesy toward others by using care in handling materials. Speak softly when in the media center.
- Passes are required for admittance to the media center during the school day unless the entire class is present. When the media center is reserved for a class, individual students may be asked to return at a later time depending on available resources.
- Books are checked out for a two-week period and may be renewed if no one has reserved the material. Reference materials may be checked out overnight and must be returned at the start of the next school day.

PLAGIARISM

Plagiarism is becoming more of a problem in our nation’s schools as information becomes so easily accessible through the Internet. At Lakeside we strive to educate our students as to what constitutes plagiarism as well as how to avoid it. As stated on the Indiana University Bloomington website: *Plagiarism is defined as presenting someone else’s work, including the work of other students, as one’s own. Any ideas or materials taken from another source for either written or oral use must be fully acknowledged, unless the information is common knowledge. What is considered “common knowledge” may differ from course to course.*

A. A student must not adopt or reproduce ideas, opinions, theories, formulas, graphics, or pictures of another person without acknowledgement.

B. A student must give credit to the originality of others and acknowledge indebtedness whenever:
   1. Directly quoting another person’s actual words, whether oral or written.
   2. Using another person’s ideas, opinions, or theories:
   3. Paraphrasing the words, ideas, opinions, or theories of others, whether oral or written;
   4. Borrowing facts, statistics, or illustrative material; or
   5. Offering material assembled or collected by others in the form of projects or collections without acknowledgement.

The following website is a helpful resource when determining what needs to be cited and what does not. It offers a wealth of information describing what plagiarism entails as well as many examples of it. Please review the information with your child so he or she is aware of the importance of avoiding plagiarism.

**RESPONSIBLE USE GUIDELINES FOR FORSYTH COUNTY SCHOOLS’**
COMMUNITY:
The mission of Forsyth County Schools (FCS) is to prepare and inspire all students to contribute and excel. The district provides ongoing student instruction that develops graduated digital citizenship for using technology as a tool to achieve this mission. Information and Communication Technology is an integral part of FCS’ curriculum across subjects and grades in developmentally appropriate ways, and it is aligned to the competencies listed in the district’s Learner Profile which include: seek knowledge and understanding; think critically and solve problems; listen, communicate and interact effectively; exhibit strong personal qualities; and engage and compete in a global environment.

I understand that using digital devices (whether personal or school owned) and the FCS network is a privilege, and when I use them according to the Responsible Use Guidelines I will keep that privilege.

All members of Forsyth County Schools’ community agree to follow the Forsyth County Schools Code of Conduct, school rules and commit to the following responsible use guidelines. I will:

- Use digital devices, networks and software in school for educational purposes and activities.
- Keep my personal information (including home/mobile phone number, mailing address, and user password) and that of others private.
- Show respect for myself and others when using technology including social media.
- Give acknowledgement to others for their ideas and work.
- Report inappropriate use of technology immediately.

The Responsible Use Procedure will be reviewed each school year together with students and teachers and will provide a springboard for teaching and learning around topics such as Internet safety, digital citizenship and ethical use of technology.

SAFETY AND HEALTH

Campus Crime Stoppers: Students are encouraged to report information about weapons, drugs, threats of violence or other dangerous or harmful situations to the principal, an assistant principal, a teacher or another trusted adult. Anonymous TIPS can also be reported to FCS’ Crime Stoppers by one of three ways.

- ANONYMOUS TEXT message to “crimes” (274637) and begin your message with “FCSS.”
- ANONYMOUS Web tip at www.forsyth.k12.ga.us/crime
- Call the ANONYMOUS tip line at 770-205-4625

Anonymous reports can also be made by calling the State of Georgia School Safety Hotline Number, 1-877-SAY-STOP (1-877-729-7867). Callers will not be asked to reveal their identity.
**Discipline Records:** Forsyth County Schools will facilitate the transfer of discipline records to any public or private school in which a student is enrolled or seeks, intends, or is instructed to enroll on a full- or part-time basis in the school.

**Emergency Evacuation of Campus:**
In the event of a crisis situation that requires the evacuation of the school campus, students and staff will be transported to a safe, secured site. As soon as the safety and security of students is assured, traffic control is established and checkout preparations are made, parents/guardians will be notified regarding family reunification procedures.

Emergency Notification to Parents:
Parents/guardians are requested to make arrangements in advance for taking care of their children when schools are closed for emergency reasons. The plans should include arrangements for school closings, delayed openings and early dismissals.

FCS closings will be announced on the local and metro media outlets, the school system website, www.forsyth.k12.ga.us, social media (www.facebook.com/FCSchools and www.twitter.com/FCSchoolsGA), and on the automated voice service at (770) 887-2461. Subscribers to Parent Portal and FCS enewsletters will also receive an email notifying them on closings or delays. Please note that you should verify the information by checking two sources, especially when relying on social media for information. Fake social media accounts with school and/or the district names and logos violate copyright laws but unfortunately are common. FCS' official social media accounts have been in existence for many years and therefore have a long list of tweets and followers, while fake accounts have significantly less.

- **School Closing and Delayed Opening Information:** School closings or delays will be announced as described above before 5:30 a.m. If school opening is delayed, please follow the same routine/schedule as normal, but push back the start time by two hours. On delayed days, breakfast is not served, lunch will be served and school will dismiss at the regular time.

- **Early Dismissal Information:** Early dismissals will be announced as described above. In the event of inclement weather, notification will be as soon as the decision is made. In the event of a school crisis, parents/guardians will be notified after the safety and security of students is assured.

- **Online Learning for School Closures:** In the event of a school closure, Forsyth County Schools will recover instructional time lost by utilizing asynchronous (not at the same time) online learning using itslearning. Each teacher will instruct students on where to find school closure activities in their itslearning course, and teachers will have lessons posted in itslearning no later than 9:00am on the day school is closed. Students should begin working on their lessons on the day school is closed when possible. If students have questions about their lessons, they may contact teachers during their posted office hours. Student work is due three school days upon returning to school.
Emergency Response to Life Threatening Asthma or Allergic Reactions:
FCS partners with District II Public Health to implement a program for the emergency response to life threatening asthma or systemic allergic reactions (anaphylaxis). School staff members are trained to assess the clinical signs, call 911 and administer the medications (Benadryl, epinephrine injection or nebulized bronchodilator). The student must be transported to the nearest emergency room for evaluation and treatment.

False Public Alarms:
Bomb and other terroristic threats, fire alarms and prank 911 calls will not be tolerated. Consequences may include a parent/guardian conference, immediate suspension, referral to law enforcement, and referral to a disciplinary tribunal hearing. If found guilty by a tribunal, the student is also subject to expulsion, long term suspension and restitution. The tribunal will impose restitution for all expenses incurred for lost instructional time and the restoration of the instructional process. Restitution may include but will not be limited to costs for: salaries, transportation, food and water, care for the handicapped, phone and other communication, laboratory work and any other legitimate expense incurred in the restoration of the normal educational operation of the school and the school system.

Fitness Assessment:
As a component of Physical Education, a variety of fitness assessment activities and techniques will be used to measure different areas of health-related fitness. These may include but are not limited to 1. The PACER run or one mile run for cardiovascular fitness; 2. Push-Ups for upper body strength; 3. Curl-Ups for abdominal strength; 4. Back-Saver Sit and Reach for flexibility. Lifelong fitness and wellness may be promoted through exposure to modern technology tools such as fitness trackers and apps.

Gang Related Activity:
Gang related activity will not be tolerated in FCS. Students engaging in gang related activities will be subject to disciplinary action as defined in the Forsyth County Board of Education Code of Conduct and Discipline Procedures. See the definitions of Gang Member and Gang Related Activity below.

In addition to those definitions, from time to time new types of gang communication methods or activities may be invented. In that event, the Principal is authorized to further define and prohibit those newly developed activities. Gang Member is defined as: A person who is part of an association of three or more people who form an allegiance for a common purpose and engage, individually or collectively in illegal behavior. Gang Related Activity is defined as: Any act or exhibition, individual or collective, which (1) communicates gang allegiance or affiliation; and / or (2) would be a criminal act if committed by an adult; and (3) is deemed to be gang related by the Principal. Gang related activity includes but is not limited to: communication of gang affiliation through hand sign flashing, wearing of clothing articles in a certain way or color scheme; jewelry, tattoos, gang symbols or graffiti on personal items; vandalism of public or private property, and acts of intimidation, threat, fighting and other forms of violence.

Hospital-Homebound Services:
If a student should need to be absent from school for more than 10 consecutive school days because of serious illness or an accident, arrangements may be made to provide instruction at
home. In accordance with state rule 160-4-2.31 Hospital/Homebound Services, students with absences due to psychiatric/emotional disorders, as defined in the latest edition of the Diagnostic, and Statistical Manual (DSM), may be eligible for hospital-homebound instruction. It is the responsibility of the parent/guardian to request homebound instruction as soon as possible. An application for services supported by a doctor’s recommendation will be required. The application and supporting documentation are submitted to the Principal of the school. Information and guidelines for Hospital Homebound Services can be found at the Georgia Department of Education webpage – gadoe.org.

**Infectious Disease:**
A child is not to return to school until fever, diarrhea and/or vomiting has stopped for a full 24 hours, without the aid of medication. Prescribed antibiotic medications for infectious diseases are to be given for 24 hours prior to return.

**Medications:**
All medications (prescription and nonprescription) must be brought to school by the parent/guardian. No student will be allowed to bring medications to school. Students may not have medication in their possession, except with a physician’s order for emergency situations only. Medications brought in bags or other unmarked containers will not be given. Prescription medication must be in the pharmacy container labeled with the child’s name, date, name of medication, name of prescribing physician, time(s) the medication is to be given and name of pharmacy filling the prescription. Please ask the pharmacist to provide two labeled prescription bottles so that parents/guardians have one bottle at home and one at school. Do not send medication to the school that needs to be given only once daily or two/three times a day unless the physician specifically states a time during the school day for the medication to be given. If medication can be given at home, please do so.

Parents/guardians must provide specific instructions (including drugs and related equipment) to the nurse. It will be the responsibility of the parent/guardian to inform the school of any changes in pertinent data. A “Request for Administration of Medication” form must be completed by the parent/guardian. **New medications will not be given unless a new form is completed.** The bottom portion of the form is to be completed by the physician for ANY long-term medication (more than two weeks.) The term “physician” is used as defined in Article 2 of the Medical Practice Act of Georgia. The form may be brought to the school by the parent or faxed by the parent or physician. Due to the risk of Reye’s Syndrome in children under the age of 18, the school will require a physician’s signature in order to give any aspirin-containing medications including Aspirin, Pepto-Bismol, and Excedrin. Due to the risk of choking, students may not bring cough drops. All medications, herbals, and supplements must be approved by the U.S. Food and Drug Administration and appear in the U.S. Pharmacopeia.

Vision, hearing and dental screening will be conducted in grade 8. Scoliosis screening will be conducted in grades 7 & 8.

It shall be unlawful for any person to carry or possess or have under such person’s control while within a school safety zone or at a school building, school function, or school property or on a bus or other transportation furnished by the school any weapon or explosive compound, other than fireworks. Board policy and state law require that any student determined to have brought a weapon to school will be expelled from school for a minimum of one calendar year, subject to modification on a case-by-case basis as required or authorized by state and federal law.

**Progressive Discipline Procedures:**
To the extent appropriate to the situation, school administrators and teachers will follow a progressive discipline process. The degree of discipline to be imposed by each school official should be in proportion to the severity of the behavior, while taking into account the totality of the situation, including the student’s age, discipline history, and other relevant factors. Schools are not required to start at step one of progressive discipline if the behavior warrants a more severe punishment.

**Sex/AIDS Education:**
Sex/AIDS education lessons are included as part of the health curriculum for grades 6-8. FCS uses the Choosing the Best program for sex/AIDS education lessons. Choosing the Best is an abstinence centered program that is correlated with the Georgia Performance Standards. The units of study include: the risks of STDs and HIV/AIDS; teen pregnancy; pressures to be sexually active; sex, love and healthy choices; avoiding unhealthy relationships; and setting boundaries. Health teachers may include human growth and development content within the sex/AIDS education lessons. Parents/guardians may schedule an appointment to review the sex/AIDS education curriculum resources used at their child’s school by contacting the lead health teacher of the school. If a parent/guardian does not wish for his/her child to participate in this portion of the course, notification must be made in writing to the health teacher prior to the beginning of the unit. Alternative assignments will be given and assessed for those students opting out of sex/AIDS education lessons.

**Student Searches:**
Student cars brought on campus, student book bags, and school lockers, desks and other school property shall be subject to inspection and search by school authorities at all times without further notice to students or parents. FCS reserves the right to use "walk-through" and "hand-held" metal detectors and "drug or weapon sniffing" dogs at school and during any school function, including activities which occur outside normal school hours or on the school campus. Students are notified that these metal detectors will be used at the discretion of administrators.

It is not the responsibility of the Forsyth County Board of Education, its board members, employees or agents to either inform students of such terms or conditions, or insure compliance with the laws of this State.

STUDENT BEHAVIOR & CONSEQUENCES

ELECTRONIC DEVICES: All electronic entertainment and electronic communication devices, including all phones must be turned OFF and kept out of sight from 9:00 am – 4:15 pm. With BYOT (Bring Your Own Technology), teachers at Lakeside are given the authority to determine when they can be used. When these privileges are respected, they will benefit the learning environment as a whole. The uses of the above mentioned devices are strictly prohibited in locker rooms and restrooms.

DETENTION: A detention is assigned at the discretion of a teacher or administrator as a consequence for inappropriate behavior. Students are assigned a period of time to be made up before or after school under the supervision of the staff member who issued it. Students are provided one-day advance notice in order to arrange transportation.

STUDENT CODE OF CONDUCT (Also available online)

It is the sincere desire of the Board of Education that each student practice self-discipline, so that disciplinary action by the teachers, administrators, and the Board of Education may be avoided. In order to provide a fair equitable system for the administration of discipline in our school, students shall be governed by the policies, regulations, and rules set forth in the Forsyth County Board of Education document entitled Code of Conduct and Discipline Procedures. This document is distributed to all students during the first week of school. The desire is to promote positive citizenship and a constructive school environment. Parents will be notified regarding discipline that may be employed to achieve desired behavioral results. In addition, when further remediation is required, the students may be referred for further interventions.

The guidelines set forth in the Code of Conduct and in this handbook are in effect throughout the calendar year when students are on school property, on a school bus, on the way to or from school, at a school-related function, or when students represent the school. Any violation of these disciplinary rules which might lead to substantial disruption or material interference with school activities whether on or off the school premises, may result in suspension or expulsion.

Any disciplinary infraction not listed in these guidelines shall be dealt with on an individual basis by the school administration in order to achieve the desired behavior result. These guidelines and the decision as to the scope of the penalty, if any, beyond the minimum is committed to the sound discretion of the school administration, giving due respect to the extent of past infractions and the willfulness of the violation.

Discipline is first sought through the teacher-student relationship developed in the classroom situation. Early parental involvement is an important element of the disciplinary process. A strong effort will be made to contact and work with parents prior to final and most serious disciplinary action.

Teachers, other certified employees, and classified staff designated with that responsibility shall maintain discipline in the schools, including the school grounds. In all matters relating to the discipline in and out of the school, they stand in relation of parents and guardians to the students. This relationship shall extend to all athletic and extra-curricular programs, and may be exercised.
In the spirit of the middle school philosophy, faculty at the grade level, the team level, and the individual classroom level have the right to establish particular rules to maintain our educational climate. These rules are supported by the administration.

**STUDENTS WITH DISABILITIES**

A teacher, principal, counselor, or parent/guardian may recommend students for referral for student support team interventions, 504 plan accommodations, and/or for special education eligibility. If the student support team determines that an evaluation needs to be completed to consider additional services, an initial evaluation for special education services is administered only with written parental consent. After an evaluation is completed, a meeting (including parent/guardians, teachers, administrator and school psychologist) will determine the student’s special education eligibility; and if appropriate, an Individual Education Plan (IEP) for special education services will be developed.

**Section 504:**
The Student Support Team (SST) is the mechanism in FCS for identifying disabled students who are eligible for an individual accommodation plan under Section 504. A teacher, educator, or parent/guardian may refer a student to the Student Support Team to consider the appropriateness and eligibility of a student for a 504 individual accommodation plan. For questions regarding 504 plan eligibility/accommodation, or 504 procedural safeguards, contact the school level SST chair.

**Notice of Rights of Students and Parents Under Section 504**

Section 504 of the Rehabilitation Act of 1973, commonly referred to as "Section 504," is a nondiscrimination statute enacted by the United States Congress. The purpose of Section 504 is to prohibit discrimination and to assure that disabled students have educational opportunities and benefits equal to those provided to non-disabled students.

The implementing regulations for Section 504 as set out in 34 CFR Part 104 provide parents and/or students with the following rights:

1. Your child has the right to an appropriate education designed to meet his or her individual educational needs as adequately as the needs of non-disabled students. 
   34 CFR 104.33.

2. Your child has the right to free educational services except for those fees that are imposed on non-disabled students or their parents. Insurers and similar third parties who provide services not operated by or provided by the recipient are not relieved from an otherwise valid obligation to provide or pay for services provided to a disabled student. 34 CFR 104.33.

3. Your child has a right to participate in an educational setting (academic and nonacademic) with non-disabled students to the maximum extent appropriate to his or her needs. 34 CFR 104.34.

4. Your child has a right to facilities, services, and activities that are comparable to
those provided for non-disabled students. 34 CFR 104.34.
5. Your child has a right to an evaluation prior to a Section 504 determination of eligibility. 34 CFR 104.35.
6. You have the right to not consent to the school system’s request to evaluate your child. 34 CFR 104.35.
7. You have the right to ensure that evaluation procedures, which may include testing, conform to the requirements of 34 CFR 104.35.
8. You have the right to ensure that the school system will consider information from a variety of sources as appropriate, which may include aptitude and achievement tests, grades, teacher recommendations and observations, physical conditions, social or cultural background, medical records, and parental recommendations. 34 CFR 104.35.
9. You have the right to ensure that placement decisions are made by a group of persons, including persons knowledgeable about your child, the meaning of the evaluation data, the placement options, and the legal requirements for least restrictive environment and comparable facilities. 34 CFR 104.35.
10. If your child is eligible under Section 504, your child has a right to periodic reevaluations, including prior to any subsequent significant change of placement. 34 CFR 104.35.
11. You have the right to notice prior to any actions by the school system regarding the identification, evaluation, or placement of your child. 34 CFR 104.36.
12. You have the right to examine your child’s educational records. 34 CFR 104.36.
13. You have the right to an impartial hearing with respect to the school system’s actions regarding your child’s identification, evaluation, or educational placement, with opportunity for parental participation in the hearing and representation by an attorney. 34 CFR 104.36.
14. You have the right to receive a copy of this notice and a copy of the school system’s impartial hearing procedure upon request. 34 CFR 104.36.
15. If you disagree with the decision of the impartial hearing officer (school board members and other district employees are not considered impartial hearing officers), you have a right to a review of that decision according to the school system’s impartial hearing procedure. 34 CFR 104.36.
16. You have the right to, at any time, file a complaint with the United States Department of Education’s Office for Civil Rights.
Revised by GaDOE 2-13-12

Section 504 Procedural Safeguards:
1. Overview: Any student or parent or guardian (“grievant”) may request an impartial hearing due to the school system’s actions or inactions regarding your child's identification, evaluation, or educational placement under Section 504. Requests for an impartial hearing must be in writing to the school system’s Section 504 Coordinator; however, a grievance’s failure to request a hearing in writing does not alleviate the school system’s obligation to provide an impartial hearing if the grievant orally requests an impartial hearing through the school system’s Section 504 Coordinator. The school system’s Section 504 Coordinator will assist the grievant in completing the written Request for Hearing.
2. Hearing Request: The Request for the Hearing must include the following:
a. The name of the student.
b. The address of the residence of the student.
c. The name of the school the student is attending.
d. The decision that is the subject of the hearing.
e. The requested reasons for review.
f. The proposed remedy sought by the grievant.
g. The name and contact information of the grievant.

Within 10 business days from receiving the grievant’s Request for Hearing, the Section 504 Coordinator will acknowledge the Request for Hearing in writing and schedule a time and place for a hearing. If the written Request for Hearing does not contain the necessary information noted above, the Section 504 Coordinator will inform the grievant of the specific information needed to complete the request. All timelines and processes will be stayed until the Request for Hearing contains the necessary information noted above.

3. **Mediation**: The school system may offer mediation to resolve the issues detailed by the grievant in his or her Request for Hearing. Mediation is voluntary and both the grievant and school system must agree to participate. The grievant may terminate the mediation at any time. If the mediation is terminated without an agreement, the school system will follow the procedures for conducting an impartial hearing without an additional Request for Hearing.

4. **Hearing Procedures**:

a. The Section 504 Coordinator will obtain an impartial review official who will conduct a hearing within 45 calendar days from the receipt of the grievant’s request for a hearing unless agreed to otherwise by the grievant or a continuance is granted by the impartial review official.

b. Upon a showing of good cause by the grievant or school system, the impartial review official, at his or her discretion, may grant a continuance and set a new hearing date. The request for a continuance must be in writing and copied to the other party.

c. The grievant will have an opportunity to examine the child’s educational records prior to the hearing.

d. The grievant will have the opportunity to be represented by legal counsel at his or her own expense at the hearing and participate, speak, examine witnesses, and present information at the hearing. If the grievant is to be represented by legal counsel at the hearing, he or she must inform the Section 504 Coordinator of that fact in writing at least 10 calendar days prior to the hearing. Failure to notify the Section 504 Coordinator in writing of representation by legal counsel shall constitute good cause for continuance of the hearing.

e. The grievant will have the burden of proving any claims he or she may assert. When warranted by circumstances or law, the impartial hearing officer may require the recipient to defend its position/decision regarding the claims (i.e. A recipient shall place a disabled student in the regular educational environment operated by the recipient unless it is demonstrated by the recipient that the education of the person in the regular environment with the use of supplementary aids and services cannot be achieved satisfactorily (34 C.F.R.§104.34). One or more representatives of the school system, who may be an attorney, will attend the hearing to present the evidence and witnesses, respond to the grievant testimony and answer questions posed by the review official.

f. The impartial review official shall not have the power to subpoena witnesses, and the
strict rules of evidence shall not apply to hearings. The impartial review official shall have the authority to issue pre-hearing instructions, which may include requiring the parties to exchange documents and names of witnesses to be present.
g. The impartial review official shall determine the weight to be given any evidence based on its reliability and probative value.
h. The hearing shall be closed to the public.
i. The issues of the hearing will be limited to those raised in the written or oral request for the hearing.

j. Witnesses will be questioned directly by the party who calls them. Cross-examination of witnesses will be allowed. The impartial review official, at his or her discretion, may allow further examination of witnesses or ask questions of the witnesses.
k. Testimony shall be recorded by court reporting or audio recording at the expense of the recipient. All documentation related to the hearing shall be retained by the recipient.
l. Unless otherwise required by law, the impartial review official shall uphold the action of school system unless the grievant can prove that a preponderance of the evidence supports his or her claim.
m. Failure of the grievant to appear at a scheduled hearing unless prior notification of absence was provided and approved by the impartial review official or just cause is shown shall constitute a waiver of the right to a personal appearance before the impartial review official.

5. Decision: The impartial review official shall issue a written determination within 20 calendar days of the date the hearing concluded. The determination of the impartial review official shall not include any monetary damages or the award of any attorney’s fees.

6. Review: If not satisfied with the decision of the impartial review official, any party may pursue any right of review, appeal, cause of action or claim available to them under the law or existing state or federal rules or regulations.

Georgia Special Needs Scholarship:
Parents/guardians of students who receive special education services in FCS have the option to exercise public and private school choice. Under a State law passed by the Georgia State Legislature in 2007, parents/guardians of students who receive special education may choose to transfer their child to another public school or private school in Georgia. Parents/guardians must be current residents of Georgia and have been residents for one year.

Special Needs Public School Choice Options:
A parent/guardian can request a transfer to another public school within their school system as long as there is available space at that school and the school has a program with the services agreed to in the student’s existing individualized education program (IEP). If the parent/guardian chooses this option, then the parent/guardian shall be responsible for transportation to the school. All requests for transfers to another in-system public school must be submitted by February 1st for approval for the upcoming school year.

The parent/guardian may request a transfer to a school in another school system if there is available space and the system and school have a program with the services agreed to in the student’s existing individualized education program. Note: It is allowable for a school system to have a policy not to accept students that reside out of the school system.
accepts the child, then the parent/guardian shall be responsible for transportation to the school in that system. If a school system approves an out of system transfer request, it can charge a parent/guardian for the costs of educating a student; also known as out of district tuition. **Note:** Funds received through the Georgia Special Needs Scholarship Program cannot be used to offset the costs of out of district tuition.

The parent/guardian may also request a transfer to one of the State schools for the deaf and/or blind operated by the State Board of Education. Acceptance into a State school will depend on whether or not that setting is appropriate for the student’s needs. If the parent/guardian chooses this option, then the parent/guardian shall be responsible for transportation to the State school. Please contact the Georgia Department of Education for more information about transferring to a State school.

**Special Needs Private School Choice Option:**
Parents/guardians interested in transferring their child to a private school in Georgia may be able to take advantage of a Georgia Special Needs Scholarship. These scholarships provide funding that can be used to offset tuition costs at participating private schools in the State of Georgia. For more information on the Georgia Special Needs Scholarship and the parent application process, visit the Georgia Department of Education’s website at [http://www.gadoe.org/External-Affairs-and-Policy/Policy/Pages/Special-Needs-Scholarship-Program.aspx](http://www.gadoe.org/External-Affairs-and-Policy/Policy/Pages/Special-Needs-Scholarship-Program.aspx)

**STUDENT MEALS**

**Automated Meal Account:**
Each school has an automated system that is able to track the payment and purchasing activity of each individual student’s account. Meals may be pre-paid for the week, month, or even the year by cash, check, or by using the on-line payment system (see below for details). Prepayment is encouraged because it eliminates the daily handling of money for the child, and reduces the time the student must stand in line waiting, providing them more time to enjoy their meal.

Students may purchase meals and extra foods sold through the School Nutrition Program with funds debited from their meal account. **If parents/guardians wish to limit the use of their child’s account to meals only, each school year parents/guardians must send a written note to the school’s cafeteria manager stating that their child will not be allowed to purchase extra items off of their meal account. If this restriction is applied to the account, all extra items selected will require cash at the time of purchase.**

Parents/guardians or siblings having lunch with a student may not use the funds on the student meal account to pay for guest meals. Guests may cover their purchases with a check or cash.

**Pre-payment by Debit or Credit Card via the Internet:**
To prepay for a child’s meals online using a valid credit/check card, parents/guardians must use the student identification number and school name to register and place money on their child’s account. **If parents/guardians do not know their child’s student ID, contact the school’s front office. To learn more about paying on-line, visit [www.mypaymentsplus.com](http://www.mypaymentsplus.com).**
Meal Charge Policy:
Students are allowed to charge school meals based on their grade levels. Elementary students may charge up to five meals. Middle and high school students are allowed only one meal charge. Ala carte items or extra meal portions may not be charged. Students without funds may be offered a snack such as a sandwich or crackers and milk. To assist parents, student account balances can be monitored any time via www.mypaymentsplus.com regardless of the payment method you use. If you notice that your child’s account is low on funds, please consider sending cash or check for the day as an on-line payment may not post to your child’s account in time for meal service.

Returned Check Policy:
The Food and Nutrition Services Program will accept checks for exact payment of meals or prepayments to the student’s debit account. The program will not cash personal checks or give change back when a check is received for payment.

FCS uses a check company to collect checks that are returned unpaid. Without further notice, they will attempt to collect on the check electronically if it is returned unpaid by your bank for any reason. If a check is returned unpaid, the face amount and a state-authorized fee will be collected electronically from the parent’s account when the money is available. If a parent writes a check to the district, they are consenting to allow the check recovery company to electronically collect the face amount and the fee if the check is returned unpaid by the banking institution to the recovery company. After the Board of Education, or any entity thereof, has received two (2) checks returned by a financial institution due to insufficient funds or closed accounts, all financial transactions thereafter will be on a cash only basis.

Meal Prices:
Our breakfast meal offers a choice of a breakfast entrée, a milk and up to two choices of fruit. At lunch we offer an entrée, a milk and up to three fruit or vegetable choices at the elementary and middle school. Students may decline the milk but must include at least one serving of fruit or vegetable on their tray. Students may request a cup of water as an alternate beverage choice. Additional beverage selections, including bottled water, are available for purchase.

The meal prices at each school level are listed below. Students may purchase additional portions of the meal at an extra cost. We also provide Smart Snack compliant snacks and treats that can be purchased at an additional cost.

Cash payments at register:
Cash is gladly accepted at the cafeteria register for meal and a la carte item purchases, and to add funds on the student’s account; however, cashiers do not have adequate funds to make change for customers with bills larger than $20. Bills larger than $20.00 will only be accepted for meal payment if the entire amount is deposited into their meal account.

Free and Reduced Priced Meals Availability:
The Free and Reduced Priced Meal Program is available to assist families during times of financial hardship. The School Nutrition Program accepts free and reduced meal applications throughout the school year. Students approved for free or reduced priced meals may eat both breakfast and lunch free or at a reduced cost. Parents can rest assured the information supplied on the form is strictly confidential and student identification is protected with the computer software used at the cashier’s station.

Eligibility for those approved for free or reduced benefits will be effective within an hour of being processed at the central office. Written notification of eligibility/denial will be sent to the household address via US mail the day the application is processed.
- Eligibility for Free or Reduced price meals is **not retroactive**, therefore the parent or guardian is responsible for payment of school meals until the F&R application is approved.

TELEPHONE CALLS

Telephone calls to students and teachers during the school day should be for emergencies only. If parents wish to contact a teacher, a voice mail is available for all faculty and staff during the school day. Teachers are expected to return calls during their planning time and within 48 hours. A phone is available for students in the main office and should be used for emergencies. Classroom telephones may be used **ONLY** with the permission of the teacher.

TEXTBOOKS
Students will NOT be issued a textbook in every class. Textbooks are on-line and on a student CD which can be checked out through the media center. Information about access to the on-line books will be distributed by the individual teachers. All textbooks are on loan to the students for use during the school year. If a student is issued a textbook or a student CD, the student is responsible for these items. Payment for lost or damaged items is the responsibility of the student.

TRANSPORTATION (BOARD POLICY EDC)

FCS provides school bus transportation for all eligible FCS students based on the student’s residence and school of enrollment, and in compliance with federal, state and/or local laws, rules, regulations and/or procedures. The Transportation Department is authorized to develop a framework and procedures that provide transportation services to eligible FCS students. The Forsyth County Board of Education encourages supervision appropriate to the age and/or maturity level(s) of students at bus stops by parents or guardians.

The Code of Conduct applies on the school bus and at the bus stop as each is considered an extension of the school and classroom. As such, behaviors are expected to be safe, orderly and respectful at the stop and on and around the school bus.

It is the responsibility of the parent/guardian to become familiar with transportation practices and procedures specific to our service. You may find those at www.forsyth.k12.ga.us/transportation or you may request clarification and/or assistance from the appropriate staff member found at the “Who Should I Call” link on the department web page.

VISITORS

For safety all visitors must report to the school office upon arrival on campus. Visitors are expected to show a photo ID upon entering the building. Badges will be issued and must be worn while on campus. Students will not be allowed to bring guests to school with them during a regular school day or to school dances.

VOLUNTEERS

We would like for parents to join our PTO to show their commitment to their child. Parents, senior citizens, business people, and other members of the community are encouraged to take part in the full range of activities at the school such as tutoring, assisting in the media center or offices, sharing a particular skill or interest with students, chaperoning, sponsoring and helping with a special program or project. The PTO will have membership forms at Open House.
