

Forsyth Teacher Academy

Induction Program

Experienced Teacher Support

Mentors are provided with tools to support our newly hired experienced teachers in the following ways.

Initiatives & Methods

We help our experienced teachers pursue continuous learning in a meaningful way getting them involved in advancing our priorities, goals, mission, vision.

Targeted Transition Support

We focus on the kind and level of support our experienced teachers need to embrace innovation; whether they're new to Georgia or Forsyth, transferring to a new school within our district, or changing positions.

School Culture & Climate

We enrich our experienced teachers in a way that allows them to engage and contribute, maintain their identity and use their unique gifts, skills sets, and perspectives to enhance our school culture and climate.

Mentor Options

We strive to provide a variety of mentoring options for experienced teachers that facilitate effective mentor-mentee interaction, including traditional and virtual support.
