SCHOOL IMPROVEMENT GOALS

Goal 1: By the end of the 2021-2022 school year, all teachers will use a collaborative planning process to design instruction based on the District Instructional Framework in an effort to consistently integrate STEM and Literacy.

Goal 2: During the 2021-2022 school year, all teachers will implement The Voyage for Schools program as character education with teacher integrated STEM in order to develop social awareness skills needed to establish and maintain positive relationships. (The Voyage for Schools program is a character education resource that explicitly teaches character words like trust, respect, etc. It is teacher driven and supports the competencies in the classroom. This goal directly correlates with CASEL Competency Goal III.)
