ABOUT US

Forsyth Central HS, originally known as Forsyth County HS, opened its doors to students in 1955. As the county's original and most storied institution, FCHS has become the place where parents want to send their children, where students feel connected to and identify with their school, and where teachers are empowered to lead. The school also houses the district's nationally certified STEM Academy. By inspiring its students to achieve at high levels, FCHS strives to honor the past while also preparing our young people for a bright and competitive future.
