## SCHOOL IMPROVEMENT GOALS

Goal 1: During the 2021-2022 school year, all teachers will collaboratively engage in a formal process of deconstructing standards, identifying learning targets, developing and using success criteria, and providing clear alignment among success criteria, learning experiences, and assessments.

Goal 2: During the 2021-2022 school year, 100% of KME staff will exemplify the characteristics outlined in the FCS Learner Profile and the KME tenet of "We Are Family" with colleagues, students, and parents in order to facilitate civility and respect differences in others.
