SCHOOL IMPROVEMENT GOALS

Goal 1: During the 2021-22 school year, all collaborative teams will engage in the process of backwards unit design, including the development of learning targets and aligned success criteria, in order to strengthen the alignment of summative and formative assessment practices to content standards.

Goal 2: During the 2021-22 school year, Liberty will increase staff implementation of PBIS (Positive Behavioral Interventions and Supports) in order to improve both the quantity and quality of student recognitions. Based on *Minor Infraction* data and *Above and Beyond Recognition* data from last year, our goal is for positive recognitions to equal or exceed the number of minor infractions for the year.
