## SCHOOL IMPROVEMENT GOALS

Goal 1: By the end of the 2021-2022 school year, all teachers will be able to identify learning targets, develop and use success criteria, and provide clear alignment among success criteria, learning experiences, and assessments.

Goal 2: By May 2022, we will improve school culture by implementing strategies that promote kindness through PBIS, classroom wellness, recognition of positive behavior, and intentional lessons during guidance specials.

Goal 3: PLCs will focus on research based reading strategies that teachers will apply during student conferences to ensure that 90% of our students achieve at least one full year of growth, as measured by School Pace data.
