

## 2021 AP EXAM REGISTRATION INFORMATION

Please read all of the information below concerning 2021 AP Testing.

**FOR ALL VIRTUAL STUDENTS:** You must register through your base school. Should you return to your base school, you must use a transfer code for AP Classroom and AP testing purposes. Please see your base school's coordinator – AP Coordinators listed below

### VIRTUAL AP Exam Questions

1. I am taking an AP Course through FVA and my teacher is not from my base school. How do I register?
  - You will register for the AP Classroom resources with a join code from your FVA course and select “NO” for your intent to take the exam.
  - You will register to pay for the AP Exam through your base school's Total Registration website.
  - You will receive an additional join code from your base school the week of Sept. 2<sup>nd</sup>. This join code allows you to register for an “Exam Only” section in the MyAP platform, where you will select “YES” for your intent to take the exam if you wish to take it.
2. I am taking an AP Course through FVA and my teacher is from my base school. How do I register?

### Directions for AP Exam Registration:

- All students must register for AP exams online. Siblings must register separately. Each student needs his/her own individual registration.
- **The AP Exam registration is a two step- two website- process again this year.**
- **STEP 1: MyAP College Board Platform**
  - Students enroll in their AP course on the MyAP College Board (CB) website to gain access to the course resources offered by the CB, using a join code provided by the teacher. If a student needs a join code, see Mr. Miniscalco on West Campus, office 111125. Students MUST keep up with their CB account login information. AP Coordinators do not have access to student accounts.
  - Students MUST indicate in each AP course on the MyAP College Board website whether they will take the exam in May or not. Each account is defaulted to “Undecided”
  - Link to the College Board website: <https://www.collegeboard.org/>
- **STEP 2: Total Registration – the payment step**
  - College Board does not collect exam payments; it only collects the exam order information from students. **Therefore, students will also need to login to/create their Total Registration account to make payment.**

- Total Registration is used each year to pay for AP exams. Students should use the same account and login information. If students already have a TR account, they should look for the “Have you previously registered? Login here.” link.
- If a student does not have a TR account, he/she must create an account. The account should use the student’s email address - not a parent/guardian’s email address.
- **Link to the TR website:** <https://user.totalregistration.net/AP/110920>

**Registration Deadline:**

- **Registration OPENS Monday, August 17, 2020**
- **Registration CLOSES Tuesday, October 27, 2020**
- **Late Registration after October 27, 2020 will incur a \$40.00 late fee per exam imposed by the College Board, not FCHS.**

**Cost for taking AP exams:**

- For 2021 Testing, the College Board charges **\$95.00 for each exam**. In addition, students will pay a one-time administrative fee each year to offset the cost of testing materials, substitutes, etc. All high schools in Forsyth County charge a one-time fee of \$25.00 regardless of how many exams a student takes.
- The cost for exams will be as follows:
  - 1 exam = \$120.00 (includes the exam fee of \$95.00 plus a one-time administrative fee of \$25.00)
  - 2 exams = \$215.00
  - 3 exams = \$310.00
  - 4 exams = \$405.00
  - 5 exams = \$500.00

**Does the State of Georgia pay for one STEM exam per student?**

- **Students enrolled in STEM classes will be allowed to take their first AP STEM exam at a reduced cost. STEM students will only pay the administration fee of \$25.00. Approval for any registration with a STEM exam will be required; therefore, STEM students cannot pay for exams at the time of registration.**
- **You must indicate at the time of test registration that you are taking a STEM exam to receive the 95.00 credit.**
- When STEM students register on Total Registration, they will be asked if they are taking at least one STEM exam. This is called a **“special waiver.”**
  - Once a student has indicated s/he is taking a STEM exam, the registration is paused so that the school can verify this information. Once the fee waiver is verified, TR does NOT notify the student that they may now proceed with registration and make payment. Students need to go back into their TR accounts within 48 hours of initial registration to check on the status of their registration and make payment.
  - The courses listed below are designated STEM related courses:
 

▪ AP Biology	▪ AP Physics 1: Algebra-Based
▪ AP Calculus AB	▪ AP Physics 2: Algebra-Based
▪ AP Calculus BC	▪ AP Physics C: Electricity & Magnetism
▪ AP Chemistry	▪ AP Physics C: Mechanics
▪ AP Computer Science A	▪ AP Statistics
▪ AP Computer Science Principles	
▪ AP Environmental Science	

**Is there a reduced cost for students with financial difficulty?**

- Students who have applied for and been accepted to receive Federal Free/Reduced Lunch benefits, the state of Georgia will pay for one AP Exam, with the exception of AP Seminar and AP Research.
  - When students register for exams, they are asked if they receive Free/Reduced Lunch program benefits. If the student indicates that they do receive Free/Reduced Lunch benefits, the registration process is paused until this information can be confirmed. Students and/or parents/guardians will need to provide a copy of their Free/Reduced Lunch program enrollment letter before AP Coordinators can verify this information.
  - **If you need assistance with obtaining your Free/Reduced Lunch Program Enrollment Letter you can reach out to Sandra McKinzie via email, [smckinzie@forsyth.k12.ga.us](mailto:smckinzie@forsyth.k12.ga.us)**
  - This letter can be dropped off in the main office or emailed to TJ Miniscalco @ [tminiscalco@forsyth.k12.ga.us](mailto:tminiscalco@forsyth.k12.ga.us)

**Whom do I contact with questions about AP exam registration?**

- If you were unable to find the answer to your question here, please email **Mr. TJ Miniscalco** [tminiscalco@forsyth.k12.ga.us](mailto:tminiscalco@forsyth.k12.ga.us) 770-887-8151, ext. 111125
