

Board Goals 2016

1. Attain Board of Education (BOE) professional development, including diversity training for the BOE, staff and the community.
2. Foster and monitor current and future capital outlay funding to include priorities, timelines, and desired levels using information from the Strategic Plan and the State Local Facilities Plan.
3. Evaluate human capital management to maximize capacity in Forsyth County Schools.
4. Cultivate leadership and continuity development of district and school level administrative staff.
5. Strengthen collaboration with governmental agencies to support a healthy and involved community.
6. Engage in community and school events to enhance connections with stakeholders. Opportunities for representation include:
