

Board Goals

Purpose: To enhance the performance of individual board members and board as a whole

1. Seek approval from the State Board of Education to expand state required BOE training options to align with the School System's Strategic Plan.
(This might include diversity, equity, technology and any other topic that would improve board members' understanding of school operations.)
Measurement: Expanded Training Options Approved or not Approved
2. Work with the Staff to approve our State Facilities Plan and develop a 2018 Bond List using the capital outlay funding priorities reflected in the 2018-2022 Strategic Plan.
Measurement: The 2018 Bond List
3. Continue to collaborate with all stakeholders to build support for school based initiatives that improve the community's well-being.
Measurement: Community Re-districting meetings, LSC Meetings, Chamber meetings and other community meetings. Also, set up an Information meeting hosted by the board to educate people on the role of board members, how the school system is funded, etc.
Purpose would be to increase communication to stakeholders furthering the public's knowledge and support for the school system.
4. Support System based initiatives related to the implementation of personalized learning and the importance of addressing the social/emotional needs of each student.
Measurement: Participation in the Beyond Propel Meetings, June Leadership Conference, Drug Council Meetings, etc. Also, staff updates on related topics as requested by BOE.
