Cast List: will be posted on Friday morning. If selected to perform in the musical, please make sure to stop by and get a Show Information packet. **Rehearsals begin September, 18 2018!!**

The audition process is pretty painless. It’s all about confidence and selling a character. As long as you are confident and prepared when you walk in the door, you’ll nail your audition!!

Please note:

Musical performances are February 1-2 at Denmark High School with tech rehearsals beginning on January 28 leading up to the performances. Rehearsals will begin in September and rehearsal schedules will be posted each month. Please know that most rehearsals will be on Tuesday, Wednesday, and/or Thursdays after school, with an occasional Saturday rehearsal. There is a production fee of \$65.00 to help cover the costs of royalties, sets, props, etc. **If chosen, please keep in mind that all rehearsals and performances are mandatory.**

If you have any questions, let me know!
