

HEATHER DAVIS MEMORIAL SCHOLARSHIP

The Heather Davis Memorial Scholarship was founded in the memory of beloved FCS teacher and DHS school counselor, Heather Davis. Heather passed away December 13, 2021 at 44 after an aggressive yearlong battle with T-Lymphoblastic Lymphoma. Heather loved spending time with her family and friends, and she loved children and animals. She loved to cook, she had a great sense of humor (and a big personality) and had been incredibly fond of horses since childhood. Heather's favorite activity was being a mom to Andrew and Emmie. She was known by all as an easy person to talk to, about anything, and most people she met quickly found themselves sharing with Heather like she was a life-long friend. Heather had a passion for others that knew no bounds.

It is important to her school community that we keep her passion for nurturing others alive for generations to come. Our community will be awarding a non-renewable, \$1000 scholarship to a DHS student who exemplifies Heather's affinity for caring for others.
