

## UPPER CHATTAHOOCHEE RIVER SOIL AND WATER CONSERVATION DISTRICT SCHOLARSHIP

The Upper Chattahoochee River Soil and Water District prides itself on the support it offers to students planning to pursue a degree in agricultural and environmental sciences or a related agriculture or conservation field.

Each county within the district is allocated \$1000 per high school each year to fund scholarships. The county's district supervisor team will make the decision to award those funds as they deem to a qualified applicant or applicants. All decisions of the Upper Chattahoochee Soil and Water District board are final.

To be eligible, applicants must be a Georgia resident and reside within one of the five counties of the Upper Chattahoochee Soil and Water Conservation District (Dawson, Forsyth, Habersham, Lumpkin, or White). In addition, the student must finish high school within the year he/she is applying for the scholarship; be engaged in leadership activities in high school; must be planning to enroll in a unit of The University System of Georgia, Berry College or any accredited college, university, or technical college approved by the Upper Chattahoochee Soil and Water District Board. Please see Appendix A listing approved undergraduate majors and course of studies approved and eligible for scholarship consideration.

Application deadline is April 8, 2022.
