DUAL ENROLLMENT THINGS TO NOTE

- *Please keep in mind the qualities of a good dual enrollment student:*

- *Independent: Can learn & work on their own*
- *Resourceful: Can find answers utilizing by being resourceful*
- *Intelligent & Mature: Has the aptitude to succeed & be able to prioritize their time effectively to meet deadlines*
- *Organized: Must be able to keep up with application and deadlines*

- Information regarding each college can be found on the college website. If you plan to participate in dual enrollment for GT MATH/CS, FINTECH, HIMT (Please visit the respective teachers for more information).
 - UNG.edu
 - GSU.edu
 - Laniertech.edu
- For a list of courses that are offered via dual enrollment, please visit gafutures.org and search **DUAL ENROLLMENT COURSE DIRECTORY.**
 - Please note that some courses require prerequisites.
- Please do your own research for each college/university and the courses/programs they offer.
- The academic calendar differs from Forsyth County Schools
- Keep in mind that these are college-level courses and all staff at the college/university will work with you like a college student.
- Students must be able to advocate for themselves as college/university employees will not speak with parents and will work directly with the student, ONLY.
