Good Afternoon C-House Family,

End of Course Testing is right around the corner. The testing schedule this year has been changed from years past. We want to make sure you are aware of the changes. If you would like to know more about the reasons why we are changing the EOC Testing Plan for Spring 2020, click on the following Forsyth County School System PowerPoint [link](#): The End of Course Tests will be given during five school days as you see below.

Date	EOC Assessment	Approximate Testing Times	Classes Resume
Monday, April 27	Physical Science, Biology	8:35AM-10:45AM	11:05AM
Wednesday, April 29	Algebra I, Geometry	8:35AM-11:45AM	12:05PM
Friday, May 1	US History, Economics	8:35AM-10:45AM	11:05AM
Monday, May 4	9 <sup>th</sup> grade Lit, 11 <sup>th</sup> grade Lit	8:35AM-10:45AM	11:05AM
Wednesday, May 6	9 <sup>th</sup> grade Lit, 11 <sup>th</sup> grade Lit	8:35AM-11:45AM	12:05PM

The main administration of the test will occur in the morning and will utilize many of the school's teachers to administer and proctor. Students who are enrolled in one of the EOC classes will arrive at FCHS no later than 8:25 AM to take the assessment. Any student not taking an EOC test may choose one of the following options:

1. **Full-Day School:** During the morning testing window, students not testing will be given the opportunity to work on enrichment activities from their classes, remediate necessary topics with a content appropriate teacher, or participate in voluntary social emotional learning.
2. **Late-Start Option:** Students may study from home but must report to school at the specified time for classes to resume. Transportation must be provided by parents as buses will only run their regularly-scheduled routes. **\*\*Please note: Once your child arrives on campus, they will be expected to stay on campus for the duration of the school day.**

Once school resumes after the morning testing session, students will attend classes on an abbreviated schedule that will consist of meaningful and relevant day to day instruction. Attendance will be taken in each class.
