

# The Need for a Consistent 5-Day Testing Schedule

- Parent/Student/Teacher Concerns
- Confusion about Testing Days
- Student Attendance/Make-Up Testing
- Efficiency of Time and Resources
- Increased Instructional Opportunities

# What This Plan Provides

- 5 district-wide days for EOC testing
- MS and HS testing EOC on same days (science and math)
- Later testing window for HS
- Opportunity for excused late arrival for students not testing
- Autonomy for HS to schedule instruction after testing to meet school needs
