Get Your Score Report

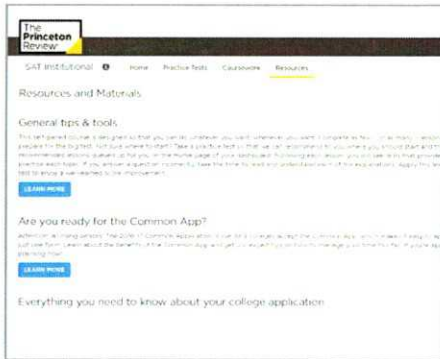

Once you've taken the practice test, view your full score report on the **Practice Test** tab. This shows what you scored overall and on each section.

Review the **Areas of Focus** section at the bottom of the report to see your strengths and the areas you need to spend more time on. Here you can watch video lessons and take practice drills selected just for you based on your score.

05

Continue Your Practice with Additional Drills and Lessons

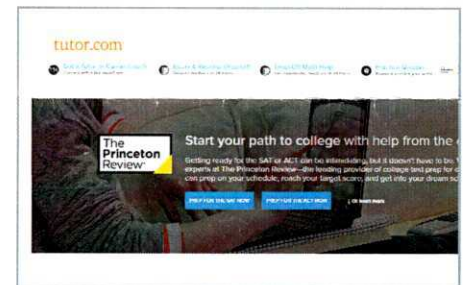

Click on the **Coursework** tab to find all of our video lessons and practice drills for each core concept covered on the test.

06

Explore Other Resources

Getting into your dream school requires more than just a high GPA and great test score. You also have to navigate the application process, write essays and apply for financial aid. Get expert advice from The Princeton Review on the **Resources** tab. We cover topics such as writing a strong essay, using the Common App and filling out the FAFSA®.

Remember, tutors are standing by if you need one-to-one help understanding a practice problem. Just click on the Tutor.com **Learning Suite** tab in your browser to return to the **Get a Tutor** page.
