9 AM – 4 PM
Forsyth Conference Center

Launch Work Ready Program is a three-day career readiness program established for recent high school graduates transitioning directly to the workforce in three industry sectors listed below.

Business/Information Technology, Construction/Manufacturing/Engineering & Healthcare

On **Day 1** and **Day 2** attendees in the program will meet industry experts and local professionals and will experience interactive, skills-based breakouts to get them ready for the workplace. These two days will also include guest speakers and a strengths finder assessment. On **Day 3**, we will host a program graduation and celebration and attendees will have the opportunity to implement the real-world skills they have learned and participate in a **Career Fair** with business and industry partners that are seeking to hire.

Skills-Based Sessions
Financial Literacy
Interviewing Skills and Resume Building
Managing Time and Projects
Building Resiliency
Essential Life Skills
*All students who complete the workshop will receive a resume building certificate.
