# Ready, Set, **GO!**

Get a jump start on managing your student's account by going to [www.MyPaymentsPlus.com](http://www.MyPaymentsPlus.com) and registering for a FREE account!

- Register for a parent account first, then attach students to your account (My Account/Manage Students). You will need your child's ID number, which you can get from your teacher or from Infinite Campus if you don't know it. Google Chrome is the preferred browser for account setup.
- Once you have set up your account, you can optionally download the MyPaymentsPlus app and monitor your account from a smart-phone.
- Enjoy the convenience of registering your student for school-related activities in the comfort of your home or anywhere you can access the website!
- MyPaymentsPlus accounts are used by all Forsyth County Schools. Lunch account balances will transfer with your child as they move from school to school.

MyPaymentsPlus enables you to make payments on items/events such as:

- Field trips
- T-shirts
- Breakfast and Lunch accounts
- Donations
- Knights Academy – after school childcare
- Afterschool Activities
