ATTENDANCE PROCEDURES FOR STUDENTS

Regular attendance is essential to success in school. As permitted under the State Board of Education Rule 160-5-1-.10, the Georgia Compulsory Education Law O.C.G.A. § 20-2-690.1, and Forsyth County Board of Education policy, students may be excused for the following reasons:

1. Personal illness or attendance in school that endangers a student's health or the health of others.
 2. A serious illness or death in a student's immediate family necessitating absence from school.
 3. A court order or an order by a governmental agency, including pre-induction physical examinations for service in the armed forces, mandating absence from school.
 4. The observance of religious holidays, necessitating absence from school.
 5. Conditions rendering attendance impossible or hazardous to student health or safety.
 6. A scheduled medical, dental or eye examination of the student.
 7. Registering to vote or voting.
 8. Visiting with a parent or legal guardian who is in the military service in the armed forces and has been called to duty for or is on leave from overseas deployment to a combat zone or combat support post. The student may be excused for a maximum of 5 days per school year.
- **Non-school related activities and vacations are considered unexcused.**
 - **Students shall be counted present when they are serving as a page in the Georgia General Assembly.**
 - **Foster care students are to be counted present at school when attending court proceedings related to the student's foster care.**

Absences:

The parent/guardian must submit a note, fax or email to the attendance clerk within five (5) school days for an absence to be considered excused. Attendance Fax Number: [770-888-1223](tel:770-888-1223) or Attendance e-mail: mantonio@forsyth.k12.ga.us. The note must include the student's name, the date(s) of absence(s), and the reason for the absence. It is the responsibility of the parent(s)/guardian(s) to be in communication with the student's teacher(s) and/or office staff when a student is absent, especially when it is for more than one day. The principal may require students to present appropriate medical or other documentation upon return to school for the purpose of validating that absences are excused.

In case of extended illness, hospitalization or injury, the parent should apply for hospital homebound service. Hospital homebound service should be applied for immediately when absences of ten (10) days or more are anticipated for the student.

Consequences:

If a student has excessive absences, early check-outs, and/or late check-ins, the student and/or the parent may be referred to the School Social Worker, Juvenile Court, State Court, and/or Department of Family and Children Services. A parent/guardian who violates the compulsory education law shall be guilty of a misdemeanor and upon conviction thereof, shall be subject to a fine not less than \$25.00 and not greater than \$100.00, imprisonment not to exceed 30 days, community service, or any combination of such penalties at the discretion of the court having jurisdiction. Each day's absence from school is considered a violation.

Make-up Work:

It is the student's responsibility to turn in make-up work, when he/she is absent from school. Parents/guardians and students are encouraged to retrieve missed lessons and work from itslearning. The student has five (5) school days to make-up work. The teacher has the discretion to grant a longer period to make up work if there are extenuating circumstances.

Late Check-in or Early Check-out:

Check outs will not be allowed after 2:30pm. We will kindly ask you to wait for your child in car rider line for dismissal at 3pm if you need to pick up your child at the school instead of the bus stop after 2:30pm.

An unexcused late check-in or early check-out is defined as any time a student arrives late to school or leaves school early for a reason other than those defined by the State Board of Education as an excused absence. A combination of three unexcused late check-ins and/or early check-outs will be considered one unexcused absence. Students who miss more than half of the time in any class will be considered absent for that class period. When possible, medical and dental appointments should be made outside of school hours. If a student is being checked in or checked out for a doctor's appointment, a parent note, physician's note, or appointment card is required within 5 school days to be considered excused. After the tenth late check-in or early check-out, a physician's note or appointment card is required within 5 school days to be considered excused.

Check-in: If a student checks in after 11:40am it is considered an absence for the school day. Parents must sign their child in upon late arrival.

Check-out: If a student checks out of school before 11:40am, it is considered an absence for the school day. *If it is necessary for a student to check-out early due to illness, the student must be assessed by the school nurse and meet assessment criteria for the school to excuse the absence.* Parents must personally sign their child out. Parents may submit a note to excuse an early check-out due to illness. Students who are frequently absent, tardy, or check out early from school may be required by the school administration to provide medical documentation to validate any absence, tardy or early check-out as excused.

- Students should not be texting or messaging parents to come pick them up because they do not feel well. Students should report their illness to the school nurse first and the school will contact the parents after assessment.
- A student must be present for at least half the day in order to participate in after school activities. If your child has been sent home for an illness (fever, vomiting, etc.) , then they cannot participate in after school activities.

Perfect Attendance Guidelines

Any student who has been enrolled at a Forsyth County School all school year and has not had any late check-ins, early check-outs, tardies and/or absences will be eligible for perfect attendance.

BYOT (BRING YOUR OWN TECHNOLOGY)

As new technologies continue to change the world in which we live, they also provide many new and positive educational benefits for classroom instruction. Daves Creek is excited to be a part of the Bring Your Own Technology (BYOT) initiative.

Permission

When you sign the acknowledgement form that you have read the student handbook, you also agree to let your child participate in the Bring Your Own Technology (BYOT) program.

Definition of “Technology”

For purposes of BYOT, “Technology” means a privately owned (or privately leased) wireless and/or portable electronic hand held equipment that can be used for word processing, wireless Internet access, image capture and recording, sound recording and information transmitting, receiving, storing, etc. Please note that PSP and Nintendo DSi devices will not be supported by our wireless network; therefore, they should not be brought to school. Questions about what to bring? Check out Mrs. Horsley’s qualities of a good BYOT device at: <http://www.forsyth.k12.ga.us/Page/40909>

Internet

Only the Internet gateway provided by the school may be accessed while on campus. Personal Internet connective devices such as but not limited to cell phones/cell network adapters and wireless service accounts are not permitted to be used to access outside Internet sources at any time.

Security and Damages

Daves Creek Elementary is not liable for any device that is stolen or damaged. Responsibility to keep the device secure rests with the individual owner. The school does not assume any liability for items left at the front office for student to pick up. The front office will **not** hold electronic devices for your child. However, teachers are required to lock their doors when leaving the room (for lunch, specials, recess, etc.) If a device is stolen or damaged, it will be handled through the administrative office similar to other personal artifacts that are impacted in similar situations. We recommend that skins (decals) and other custom touches are used to physically identify your device from others. Additionally, protective cases for technology are encouraged.

Teachers’ Role

- Teachers are facilitators of instruction in their classrooms. Therefore, they will not spend time on fixing technical difficulties with students’ personal devices in the classroom. They will educate and provide guidance on how to use a device and troubleshoot simple issues, but they will not provide technical support. This responsibility will reside at home with parents/guardians.
- Teachers will regularly communicate information regarding educational applications and suggest appropriate tools that can be downloaded to personal devices at home. Parents will need to assist their children with downloads if they wish to follow teachers’ suggestions.
- Teachers will closely monitor students to ensure appropriate usage of technology in the classrooms. All activities involving technology will be based upon and support Georgia Performance Standards and Common Core Curriculum.
- We understand that not every elementary school student has his/her own electronic device. To ensure equal accessibility to technology resources, teachers will provide students with technology available within our school.

Please review and sign the B.Y.O.T. agreement between teachers, parents, and students. No student will be permitted to use personal technology devices unless the agreement is signed and returned.

Agreement:

Students and parents participating in B.Y.O.T. must adhere to the Student Code of Conduct, as well as all Board policies, particularly Internet Acceptable Use (Policy IFBG) and Internet Safety (Policy IFBGE). Please read carefully and initial every statement:

Students take full responsibility for their devices. The school is *not* responsible for the security of personal technology. Personal devices should not be left on campus before or after the school hours.

Devices are used for instructional purposes only. Outside text message/emails to students' personal devices are a distraction to your child's academics. Please refrain from sending emails/ text messages to your child during school hours.

Devices cannot be used during assessments, unless otherwise directed by a teacher.

Students access only files on the computer or Internet which are relevant to the classroom curriculum. Games are not permitted during instructional time unless directed by the teacher.

Students must *immediately* comply with teachers' requests to shut down devices or close the screen. Devices must be in silent mode and put away when asked by teachers.

Students will only take pictures/video for educational purposes. Students are not permitted to transmit or post photographic images/videos taken at school on public and/or social networking sites with the exception of county-specific platforms.

Personal devices must be charged prior to bringing them to school and run off their own batteries while at school.

To ensure appropriate network filters, *students will only use the BYOT wireless connection in school and will not use their 3G or 4G network (students will turn "on" wifi and "off" cellular data plans).*

My child and I have read and understand Forsyth County Schools' **Responsible Use Policy** and realize that noncompliance will result in disciplinary actions. <http://www.forsyth.k12.ga.us/responsibleuse>

Students realize that printing from personal devices will not be possible at school.

Students may be collaborating with partners or small groups using BYOT devices when instructionally appropriate.

Please understand that the use of personal devices to support educational experience is *not a necessity but a privilege*. With respect of the rules, this privilege will benefit the learning environment as a whole. When rules are abused, privileges will be taken away.

RESPONSIBLE USE GUIDELINES FOR FORSYTH COUNTY SCHOOLS' COMMUNITY

The mission of Forsyth County Schools (FCS) is to prepare and inspire all students to contribute and excel. The district provides ongoing student instruction that develops graduated digital citizenship for using technology as a tool to achieve this mission. Information and Communication Technology is an integral part of FCS' curriculum across subjects and grades in developmentally appropriate ways, and it is aligned to the competencies listed in the district's

Learner Profile which includes: seek knowledge and understanding; think critically and solve problems; listen, communicate and interact effectively; exhibit strong personal qualities; and engage and compete in a global environment.

I understand that using digital devices (whether personal or school owned) and the FCS network is a privilege, and when I use them according to the Responsible Use Guidelines I will keep that privilege. All members of Forsyth County Schools' community agree to follow the Forsyth County Schools Code of Conduct, school rules and commit to the following responsible use guidelines.

I will:

- Use digital devices, networks and software in school for educational purposes and activities.
- Keep my personal information (including home/mobile phone number, mailing address, and user password) and that of others private.
- Show respect for myself and others when using technology including social media.
- Give acknowledgement to others for their ideas and work.
- Report inappropriate use of technology immediately.

The Responsible Use Procedure will be reviewed each school year together with students and teachers and will provide a springboard for teaching and learning around topics such as Internet safety, digital citizenship and ethical use of technology.

** Developed based on Responsible Use Procedures of Canyon County Schools and the Holy Spirit Roman Catholic Separate Regional Division.*

CAFETERIA PROGRAM

Automated Meal Account:

Each school has an automated system that is able to track the payment and purchasing activity of each individual student's account. Meals may be pre-paid for the week, month, or even the year by cash, check, or by using the on-line payment system (see below for details). Prepayment is encouraged because it eliminates the daily handling of money for the child, and reduces the time the student must stand in line waiting, providing them more time to enjoy their meal.

Students may purchase meals and extra foods sold through the School Nutrition Program with funds debited from their meal account. **If parents/guardians wish to limit the use of their child's account to meals only, each school year parents/guardians must send a written note to the school's cafeteria manager stating that their child will not be allowed to purchase extra items off of their meal account. If this restriction is applied to the account, all extra items selected will require cash at the time of purchase.**

Parents/guardians or siblings having lunch with an elementary student may use the funds on the student meal account to pay for guest meals. Guests may cover their purchases with a check or cash.

Pre-payment by Debit or Credit Card via the Internet:

To prepay for a child's meals online using a valid credit/check card, parents/guardians must use the student identification number and school name to register and place money on their child's account. If parents/guardians do not know their child's student ID, contact the school's front office. To learn more about paying on-line, visit www.mypaymentsplus.com.

Meal Charge Policy:

Students in elementary will be allowed to charge up to the equivalent of five (5) meals. Middle and high school students are allowed only one meal charge. No ala carte purchases may be charged to the student's meal account, except milk or carton juice when a meal is brought from home. A charge notice will be completed and sent home to the parent/guardian through the student. To assist parents, student account balances can be monitored any time via www.mypaymentsplus.com regardless of the payment method you use. If you notice that your child's account is low on funds, please consider sending cash or check for the

day as an on-line payment may not post to your child’s account in time for meal service. When the manager has sent home the third notification with no success in collection of outstanding charges, the principal or counselor will be asked to intervene to assist with collecting the delinquent payments and assessing if there is a need for free or reduced priced meals. After the fifth unpaid charge, the manager will offer the student a snack or partial meal such as a sandwich or crackers and milk. If a student continues to come to the cafeteria without a lunch from home or money and the student’s account continues to be delinquent, the case will be considered for release to the Department of Family and Children’s Services for neglect. Students who have unpaid meal charges will not be allowed to purchase any extra sale food items until the charges have been satisfied.

NOTE: In an effort to ensure that students in elementary schools do not carry over a negative account balance into the new school year, meal charges will not be accepted beginning the first school day in May.

Returned Check Policy:

The Food and Nutrition Services Program will accept checks for exact payment of meals or prepayments to the student’s debit account. The program will not cash personal checks or give change back when a check is received for payment.

FCS uses a check company to collect checks that are returned unpaid. Without further notice, they will attempt to collect on the check electronically if it is returned unpaid by your bank for any reason. If a check is returned unpaid, the face amount and a state-authorized fee will be collected electronically from the parent’s account when the money is available. If a parent writes a check to the district, they are consenting to allow the check recovery company to electronically collect the face amount and the fee if the check is returned unpaid by the banking institution to the recovery company. After the Board of Education, or any entity thereof, has received two (2) checks returned by a financial institution due to insufficient funds or closed accounts, all financial transactions thereafter will be on a cash only basis.

Meal Prices:

Our breakfast meal offers a choice of a breakfast entrée, a milk and up to two choices of fruit. At lunch we offer an entrée, a milk and up to three fruit or vegetable choices at the elementary and middle schools. Students may decline the milk but must include at least one serving of fruit or vegetable on their tray. Students may request a cup of water as an alternate beverage choice. Additional beverage selections, including bottled water, are available for purchase.

The meal prices at each school level are listed below. Students may purchase additional portions of the meal at an extra cost. We also provide Smart Snack compliant snacks and treats that can be purchased at an additional cost.

	Breakfast	Lunch
Elementary		
Reduced-priced meal	\$0.30	\$0.40
Full-paid meal	\$1.50	\$2.60

Cash payments at register:

Cash is gladly accepted at the cafeteria register for meal and a la carte item purchases, and to add funds on the student's account; however, cashiers do not have adequate funds to make change for customers with bills larger than \$20. Bills larger than \$20.00 will only be accepted for meal payment if the entire amount is deposited into their meal account.

Free and Reduced Priced Meals Availability:

The Free and Reduced Priced Meal Program is available to assist families during times of financial hardship. **The School Nutrition Program accepts free and reduced meal applications throughout the school year.** Students approved for free or reduced priced meals may eat both **breakfast and lunch** free or at a reduced cost. Parents can rest assured the information supplied on the form is strictly confidential and student identification is protected with the computer software used at the cashier's station.

- A current year 2018-2019 application must be submitted. Prior year application forms cannot be accepted. The current school year application is available at each school, in the Registration Office at the Hill Center and on the system's website, www.forsyth.k12.ga.us.
- On-line applications make it faster and easier for families to apply for free or reduced priced meals. Visit the food and nutrition website at www.forsyth.k12.ga.us/nutrition for further information.
- **OR** you may complete and sign an application and submit it via one of the following methods:
 - scanned and emailed to jsanders@forsyth.k12.ga.us
 - faxed to 770-888-3464
 - sent via US mail to: Food & Nutrition Services, 1140 Dahlonega Hwy, Cumming GA 30040
 - submitted to any school cafeteria.
- Applications will be processed within 10 school days of receipt at the central office. Eligibility for those approved for free or reduced benefits will be effective within an hour of being processed at the central office. Written notification of eligibility/denial will be sent to the household address via US mail the day the application is processed.
- Eligibility for Free or Reduced price meals is **not retroactive**, therefore the parent or guardian is responsible for payment of school meals until the F&R application is approved.

Ice Cream

Ice Cream will be available for purchase through the cafeteria lunch lines on various days throughout the year. Students can use their lunch accounts to purchase ice cream.

CLINIC INFORMATION

Daves Creek is committed to providing a safe and healthy school for your child. There is a registered nurse in our clinic from 7:50am to 3:00pm. Please be aware of the items below in regards to the clinic.

Asthma and Food/ Insect Allergies:

Each parent will be asked to complete a questionnaire in regards to asthma and food/insect allergies to be returned to the clinic. For your child's safety, please update this information throughout the year as needed.

Communicable Disease:

A child is not to return to school until fever, diarrhea and/or vomiting has stopped **for a full 24 hours**, without the aid of medication. Prescribed antibiotic medications for communicable diseases are to be given for 24 hours prior to return. Please remember that some communicable diseases and injuries may require a doctor's note allowing your child to return to school.

Emergency Response to Life Threatening Asthma or Allergic Reactions:

FCS partners with District II Public Health to implement a program for the emergency response to life threatening asthma or systemic allergic reactions (anaphylaxis) or opioid overdose. Designated school staff

members are trained to assess the clinical signs, call 911 and administer the medications (benadryl, epinephrine injection, nebulized bronchodilator) or Naloxone. The student must be transported to the nearest emergency room for evaluation and treatment.

Infectious Disease:

A child is not to return to school until fever, diarrhea and/or vomiting have stopped for a full 24 hours, without the aid of medication. Prescribed antibiotic medications for infectious diseases are to be given for 24 hours prior to return.

Medications:

All medications (prescription and nonprescription) must be brought to school by the parent/ guardian. No student will be allowed to bring medications to school. Students may not have medication in their possession, except with a physician’s order for emergency situations only. Medications brought in bags or other unmarked containers will not be given. Prescription medication must be in the pharmacy container labeled with the child’s name, date, name of medication, name of prescribing physician, time(s) the medication is to be given and name of pharmacy filling the prescription. Please ask the pharmacist to provide two labeled prescription bottles so that parents/guardians have one bottle at home and one at school. Do not send medication to the school that needs to be given only once daily or two/three times a day unless the physician specifically states a time during the school day for the medication to be given. If medication can be given at home, please do so.

Parents/guardians must provide specific instructions (including drugs and related equipment) to the nurse. It will be the responsibility of the parent/guardian to inform the school of any changes in pertinent data. A “Request for Administration of Medication” form must be completed by the parent/guardian. **New medications will not be given unless a new form is completed.** The bottom portion of the form is to be completed by the physician for **ANY** long-term medication (more than two weeks.) The term “Physician” is used as defined in Article 2 of the Medical Practice Act of Georgia. The form may be brought to the school by the parent or faxed by the parent or physician. Due to the risk of Reye’s Syndrome in children under the age of 18, the school will require a physician’s signature in order to give any aspirin-containing medications including Aspirin, Pepto-Bismol, and Excedrin. Due to the risk of choking, students may not bring cough drops. All Medications, herbals, and supplements must be approved by the U.S. Food and Drug Administration and appear in the U.S. Pharmacopeia.

Vision, Hearing and Dental Screening:

Vision, hearing and dental screenings are conducted for grades 1,3, and 5. Referral letters are sent home to those students who did not pass the screening. For assistance in regard to the referral, contact the school nurse.

CODE OF CONDUCT

Each student in Forsyth County Schools will be issued a full copy of the Code of Conduct. The Code of Conduct covers rules for student behavior, dress, as well as consequences for failure to comply. Parents should carefully review this document with their child(ren). All parents must sign that they have received a copy of the Code of Conduct. Please find below the Code of Conduct as approved by the FCBOE.

Daves Creek Elementary believes that self-discipline is an important part of a child's development. Self-discipline underlies the whole educational structure and is the training that develops character, orderliness, efficiency, and self-control. Developing self-discipline occurs when students learn to follow common rules and make wise decisions. Proper behavior by each student allows all students the maximum opportunity to play, learn, and grow in a school environment.

The following are expected behaviors at Daves Creek Elementary:

1. Use quiet voices inside the school building.
2. Take care of all school property and equipment by using it carefully.
3. Walk inside the school building.
4. Respect all citizens at Daves Creek.
5. Keep the school clean and litter-free.
6. Sale or trade of items by students, including lunch items, is strictly forbidden.
7. Items such as toys, which distract from the educational environment, are not permitted.

School behavior policies are implemented for the safety of students and the maintenance of an orderly learning environment. Administrators are directed to follow these policies. Students who disregard school rules are made aware of the consequences for their actions. Parents may be required to attend a conference to develop a Chronic Disruptive Behavior Plan for their student. (Parents will be notified if the use of these consequences does not bring about a successful change in behavior.) The *Code of Conduct* pamphlet is distributed to all students during the first week of school and contains details of school and system discipline procedures.

Progressive Discipline Procedures:

To the extent appropriate to the situation, school administrators and teachers will follow a progressive discipline process. The degree of discipline to be imposed by each school official should be in proportion to the severity of the behavior, while taking into account the totality of the situation, including the student's age, discipline history, and other relevant factors. Schools are not required to start at step one of progressive discipline if the behavior warrants a more severe punishment.

Campus Crime Stoppers:

Students are encouraged to report information about weapons, drugs, threats of violence or other dangerous or harmful situations to the principal, an assistant principal, a teacher or another trusted adult. Anonymous TIPS can also be reported to FCS' Crime Stoppers by one of three ways.

- ANONYMOUS TEXT message to "crimes" (274637) and begin your message with "FCSS."
- ANONYMOUS Web tip at www.forsyth.k12.ga.us/crime
- Call the ANONYMOUS tip line at 770-888-3466 ext. 1 or 3.

Anonymous reports can also be made by calling the State of Georgia School Safety Hotline Number, 1-877-SAY-STOP (1-877-729-7867). Callers will not be asked to reveal their identity.

Discipline Records:

Forsyth County Schools will facilitate the transfer of discipline records to any public or private school in which a student is enrolled or seeks, intends, or is instructed to enroll on a full- or part-time basis in the school.

Emergency Evacuation of Campus:

In the event of a crisis situation that requires the evacuation of the school campus, students and staff will be transported to a safe, secured site. As soon as the safety and security of students is assured, traffic

control is established and checkout preparations are made, parents/guardians will be notified as described above about family reunification procedures.

Emergency Notification to Parents:

Parents/guardians are requested to make arrangements in advance for taking care of their children when schools are closed for emergency reasons. The plans should include arrangements for school closings, delayed openings and early dismissals.

FCS closings will be announced on the local and metro media outlets, the school system website, www.forsyth.k12.ga.us, social media (www.facebook.com/FCSchools and www.twitter.com/FCSchoolsGA), and on the automated voice service at (770) 887-2461. Subscribers to Parent Portal and FCS e-newsletters will also receive an email notifying them on closings or delays.

Please note that you should verify the information by checking two sources, especially when relying on social media for information. Fake social media accounts with school and/or the district names and logos violate copyright laws but unfortunately are common. FCS' official social media accounts have been in existence for many years and therefore have a long list of tweets and followers, while fake accounts have significantly less.

- **School Closing and Delayed Opening Information:** School closings or delays will be announced as described above before 5:30 a.m. If school opening is delayed, please follow the same routine/schedule as normal, but push back the start time by two hours. On delayed days, breakfast is not served, lunch will be served and school will dismiss at the regular time.
- **Early Dismissal Information:** Early dismissals will be announced as described above. In the event of inclement weather, notification will be as soon as the decision is made. In the event of a school crisis, parents/guardians will be notified after the safety and security of students is assured.
- **Online Learning for School Closures:** In the event of a school closure, Forsyth County Schools will recover instructional time lost by utilizing asynchronous (not at the same time) online learning using itslearning. Each teacher will instruct students on where to find school closure activities in their itslearning course, and teachers will have lessons posted in itslearning no later than 9:00am on the day school is closed. Students should begin working on their lessons on the day school is closed when possible. If students have questions about their lessons, they may contact teachers during their posted office hours. Student work is due three school days upon returning to school.

Discrimination/Harassment Reporting:

FCS does not discriminate on the basis of race, color, religion, national origin, age, disability or gender in employment decisions or educational programs and activities, including its athletic programs. Any student, employee, applicant for employment, parent or other individual who believes he or she has been subjected to harassment or discrimination by other students or employees of the school district based upon any of the factors listed above should promptly report the same to the principal of the school or the appropriate coordinator as listed below, who will implement the board's discriminatory complaints or harassment procedures. Students may also report harassment or discrimination to their school counselor. Equity coordinators for the school system are:

Cindy Salloum (Personnel)

Title IX

Nathan Turner (Students)
Cindy Salloum (Personnel)

ADA and 504

Community Based Work Programs

Valery Lowe

Equity coordinators may be contacted at the Forsyth County Board of Education and Professional Development Center, 1120 Dahlonega Highway, Cumming, Georgia 30040, 770.887.2461. Students and employees will not be subjected to retaliation for reporting such harassment or discrimination. A copy of the discriminatory complaints procedure under Forsyth County School District Policy GAAA/JAA (Equal Opportunity/Discriminatory Complaints) or under Policy IDFA (Gender Equity in Sports) is located in the school district policy manual that is available at www.forsyth.k12.ga.us/boe > policies and procedures.

Equity:

FCS does not discriminate on the basis of race, color, religion, national origin, age, disability, or sex in any of its employment practices, educational programs, child feeding program or any other service or activity. It is the policy of the Forsyth County Board of Education to comply fully with the requirements of Title VI, Title VII, Title IX, and Section 504 of the Rehabilitation Act of 1973, and the Americans with Disabilities Act and all accompanying regulations. Any student, employee, applicant for employment or other person alleging a violation shall promptly notify the principal or the designated school system coordinator.

False Public Alarms:

Bomb and other terroristic threats, fire alarms and prank 911 calls will not be tolerated. Consequences will include a parent/guardian conference, immediate suspension, referral to law enforcement, and referral to a disciplinary tribunal hearing. If found guilty by a tribunal, the student is also subject to expulsion, long term suspension and restitution. The tribunal will impose restitution for all expenses incurred for lost instructional time and the restoration of the instructional process. Restitution may include but will not be limited to costs for: salaries, transportation, food and water, care for the handicapped, phone and other communication, laboratory work and any other legitimate expense incurred in the restoration of the normal educational operation of the school and the school system.

Harassment:

The school district forbids sexual, racial and other harassment of all employees and students while at school, in the work place or at any school event or activity. Any student, employee, applicant for employment or other person alleging a violation shall promptly notify the principal or the designated coordinator for the school system.

Gang Related Activity:

Gang related activity will not be tolerated in FCS. Students engaging in gang related activities will be subject to disciplinary action as defined in the Forsyth County Board of Education Code of Conduct and Discipline Procedures. See the definitions of *Gang Member* and *Gang Related Activity* below.

In addition to those definitions, from time to time new types of gang communication methods or activities may be invented. In that event, the Principal is authorized to further define and prohibit those newly developed activities. Gang Member is defined as: A person who is part of an association of three or more people who form an allegiance for a common purpose and engage, individually or collectively in illegal behavior. Gang Related Activity is defined as: Any act or exhibition, individual or collective, which (1) communicates gang allegiance or affiliation; and / or (2) would be a criminal act if committed by an adult;

and (3) is deemed to be gang related by the Principal. Gang related activity includes but is not limited to: communication of gang affiliation through hand sign flashing, wearing of clothing articles in a certain way or color scheme; jewelry, tattoos, gang symbols or graffiti on personal items; vandalism of public or private property, and acts of intimidation, threat, fighting and other forms of violence.

Possession of Weapon:

It shall be unlawful for any person to carry or possess or have under such person's control while within a school safety zone or at a school building, school function, or school property or on a bus or other transportation furnished by the school any weapon or explosive compound, other than fireworks (O.C.G.A. §16-11-127.1). Board policy and state law (O.C.G.A. §20-2-751.1) require that any student determined to have brought a weapon to school will be expelled from school for a minimum of one calendar year, subject to modification on a case-by-case basis as required or authorized by state and federal law.

Student Searches:

Student cars brought on campus, student book bags, and school lockers, desks and other school property shall be subject to inspection and search by school authorities at all times without further notice to students or parents. FCS reserves the right to use "walk-through" and "hand-held" metal detectors and "drug or weapon sniffing" dogs at school and during any school function, including activities which occur outside normal school hours or off the school campus. Students are notified that these metal detectors will be used at the discretion of administrators.

COUNSELING SERVICES

School counselors are available at Daves Creek to provide individual or small group counseling to students and to conduct classroom guidance lessons on a regular schedule. The counselors work with school personnel to foster a positive learning environment. The counselors may also assist parents in obtaining special school and/or community services. Counselors conduct lessons, organize Red Ribbon Week (drug awareness), and Second Step (violence prevention) activities during the year. Small group counseling provides participating students peer support for decision making and improving problem solving skills. Small groups are offered for such topics as friendship, changing families, grief, and anger management.

DAY CARE – THE DOLPHIN COVE (BEFORE AND AFTER SCHOOL CARE)

Daves Creek will run its own child care program during the school year on days of attendance including early dismissal days. Registration information can be found at <http://www.forsyth.k12.ga.us//site/Default.aspx?PageID=41300> . Please contact Monique Antonio at extension 171104 for registration questions.

DISMISSAL PROCEDURES

At dismissal time bus riders are loaded onto their assigned buses by teachers, and car riders wait to be picked up in front of the school. Dismissal begins at 3:00, and **students signed out before 3:00 will be recorded as having an early checkout.**

Change in dismissal plans:

A signed, dated note from the parent or guardian must be received and signed in the office in order for a student to be dismissed in any way other than the usual manner. For bus riders, this includes riding a different bus or being picked up in a car line. For car riders, it means being picked up by someone other than the parent or guardian or riding the bus. For safety reasons transportation routines will not

be altered with a verbal request. Requests must be made in writing or by email only. Emergencies will be handled on a case by case basis.

TRANSPORTATION CHANGES MUST BE RECEIVED ON OR BEFORE 2:30PM ON THE DAY OF THE CHANGE. CHANGES AFTER THAT TIME WILL BE DECIDED BY AN ADMINISTRATOR.

DOLPHIN BUDDIES

The Forsyth County School System believes in the value of adult relationships with students. Mentors known as Dolphin Buddies may be assigned to students who desire or might benefit from having a caring adult visit with them at school. Please call a counselor if you are interested in volunteering to be a mentor or if you would like your child to have a mentor.

DROPPING OFF ITEMS IN OFFICE FOR STUDENTS

Parents are responsible for emailing the teacher to notify them that an item has been dropped off up front. We highly discourage this practice and in order to minimize the disruption of classroom instruction, we will not call the teacher. Daves Creek does not assume responsibility for any item left at the front desk. We will not allow technology or any electronic devices to be dropped off.

We discourage the drop off of items but if your child forgets their lunch, you can drop it off between 8:30-10:30am at the front office. If you choose to send a lunch from home instead of purchasing from our cafeteria then the child should bring it with them in the morning. We do not allow lunch to be dropped off on a daily basis. This is strictly for the occasional lunch left at home.

FIELD TRIPS

Field trips are planned throughout the year to complement classroom curriculum. Signed permissions forms must be on file for each child who participates. The number of parent chaperones may be limited due to the nature of the activity. **All students must** ride the buses provided while on the field trip. Charges for field trips cover the price of admission and transportation. No child will be excluded from a field trip for financial reasons.

Parents attending field trips as chaperones must ride the school bus to and from the school. Some exceptions may be made by the school if there is a shortage of seating on the school bus but these will be approved in advance of the day of the trip. There are NO exceptions for the 5th grade trip to Chattanooga.

GRADING AND REPORTING

Students in grades K-5 are graded on a nine-week grading period. Report cards will be sent home at the end of each grading period.

Kindergarten - Third Grade:

Students in grades Kindergarten through Third Grade will be evaluated using a *standards-based* report card. In standards-based grading, student progress is measured by determining student progress toward achievement of grade level standards. Rather than receiving one grade per content area, your child will receive a breakdown of performance by standard cluster enabling you to more readily identify areas of academic strength and opportunities for improvement. In addition, the reports include a three-point rubric defining work ethic and behaviors that impact student achievement.

4th Grade PLUS and 5th Grade PLUS:

Students in grades 4 and 5 will receive a report card that includes both a traditional numeric average and a breakdown of performance, based on standards for English/Language Arts and Math. The traditional numeric average will be determined by an average of summative assessments (work done *after* the learning has taken place and reflects the level of student mastery). Specific standards performance is based on formative assessments (work done *during* the learning process) and is evaluated using standards-based scores. Science and Social Studies will receive traditional numeric grades only. In addition, the reports include a three-point rubric defining work ethic and behaviors that impact student achievement.

4th and 5th Grade PLUS Summative Retest Procedure:

Students will be given the option of a retest on any summative assessment, if their summative grade is not acceptable to the student, parent or teacher. There will be one opportunity for a summative retest and a required commitment by the student to attend reteaching sessions and/or complete assignments designed to ensure mastery of standards. The reteaching sessions and assignments will be determined by the teacher. The expectation is that any student that does not pass the initial summative test will attend reteaching sessions, complete assignments and retake the summative assessment.

HOMEWORK

The faculty and staff of Daves Creek Elementary endorse and encourage the use of homework and reading practice to promote student learning. Homework is necessary for each pupil to be a successful student. Students should expect to have homework assignments each day. Having a quiet place to work and a set time to do homework will help the student complete their assignments successfully in order to review what has been taught in class each day. Most homework assignments are due the next day; however, some long range projects may occasionally be given to students. The goals of our homework guidelines are:

1. to develop good study habits and responsibility
2. to reinforce skills taught at school
3. to promote parent involvement
4. to improve student achievement

Our specific homework guidelines are reviewed and revised by each grade level at the beginning of each school year. You will be notified of expectations early in the year.

Extra Credit

The staff of Daves Creek follows the standards-based grading and reporting procedures implemented by Forsyth County Schools. Extra credit is not a component of the standards-based grading system therefore we do not implement or support the use of extra credit.

LOCAL SCHOOL COUNCIL

The LSC was established by Georgia law to “bring communities and schools closer together in the spirit of cooperation to solve difficult education problems, improve academic achievement, provide support for teachers and administrators, and bring parents into the school-based decision-making process... to provide advice, recommendations, and assistance and represent the community of parents and businesses.” Elections will be held in the spring to select members of this council. LSC Parents will continue to have a forum for their

questions and for learning about school programs through parent representatives on LSC. LSC meetings will be announced and are open to the public.

LOST AND FOUND

Lost items are often shown on the morning news. Items may be claimed from the two large buckets in the front lobby. Periodically, lost and found will be displayed outside the school lunchroom for parents and students to claim. Unclaimed items are donated to charity on a quarterly basis. Everything brought to school should be labeled so that lost articles can be returned to the owner.

MEDIA CENTER

The Media Center at Daves Creek uses an open program that allows students to access materials for assignments, projects, research, and personal reading at any time. Features include an online card catalog, computer workstations, reference materials, and works of fiction and nonfiction. In the Media Center students will learn about research methods, authors, themes, Primary Search, and use of Media Center materials. Students come to the Media Center for books and materials check-out, to use the computers, and for storytelling. Materials from the Media Center may be checked out for two weeks. Students are expected to pay for books that are lost or damaged.

- Check out privileges may be suspended if items are lost and not paid for.
- Substitute items will not be accepted as replacement for lost items.

Parents may also honor a teacher or child on a special occasion, such as a birthday, by purchasing a book for the library. See the Media Specialist for more information. The Media Center also hosts a book fair each fall and spring.

MONEY COLLECTION PROCEDURES

Money is collected in the morning as the children arrive and it is a busy time of the day. Our goal is to get instruction to begin promptly and the following procedures will help ensure the best use of our teacher's time.

Money should be sent in separately for items such as field trips, lunch money, etcetera. Please place money for each event in a **separate envelope with the child's name, reason for the money (field trip), and amount of money in envelope.**

- Money should be sent in on the day of the event. Teachers are not allowed to hold money in their rooms overnight.
- Any money not properly labeled and separated will be returned. We do not make change for cash.
- Checks are preferred over cash.

Personal Checks:

The district will gladly accept your checks; however, in the event your check is returned, your account will be debited electronically for the face amount and fees allowed by the state of Georgia.

Please include the following on each check written:

~Drivers License # ~Full Name
~Street Address ~Phone Numbers

If there are any questions, please contact the bookkeeper at 770-888-1222 x170105.

OUT OF DISTRICT POLICY

In order to attend a school outside the student's residential district, approval must be secured from the superintendent, the principal of the admitting school. The forms and the board policy are available in the office of the superintendent. Approval may be restricted by class size and is granted on a year-to-year basis only. Students who present behavior or attendance problems may have the out-of-district approval rescinded by a letter from the principal of the school the student is attending. A student may not request to attend a school that is at or over capacity.

PARENT TEACHER ASSOCIATION

Daves Creek PTA sponsors a variety of activities throughout the year including fundraising drives, the sale of spirit items, family functions, dinners, teacher appreciation, and the yearbook. PTA meetings are scheduled six times during the school year. Meeting times and dates are posted in the newsletter. Everyone is encouraged to become a member.

PARENT TEACHER CONFERENCES

The school system calendar schedules two parent conference dates during the school year for teacher conferences. Students are released early on these days (at 12:30) so that parents may schedule conference times with their children's teacher. One conference week will be in October, and one in April. Parents will be notified of conference times in advance. Additionally, parents may request a conference at any time during the school year. Parents may request a telephone conference at any time by leaving a message on the teacher's voice mail.

PARTIES

Board Policy allows elementary students to have two parties a year. Teachers may choose two occasions for a class party. Please cooperate with the teacher by not expecting more than two parties. Some themes or unit of study may have a culminating activity to celebrate achievements. **No parties** for teachers are to be held on school time. Please schedule these activities to celebrate birthdays, babies, wedding, etc. after school.

Delivery of flowers or balloons for students is prohibited.

Balloons are prohibited during the graduation ceremony and during the "Graduation Walk".

Birthday Celebrations

Parents may also send a treat or special snack to enjoy on a student's birthday (Please refer to the School's Wellness Policy). Please plan to share those items at the end of lunch, and be sure the teacher knows that birthday treats are coming.

Teachers will schedule a **monthly date** to celebrate all the birthdays in their classroom for the month. Here is the general rule. You **MUST** contact the teacher before-hand and communicate your request to bring in any items.

- K & 3rd - 2nd week of the month
- 1st & 4th - 3rd week of the month
- 2nd & 5th - 4th week of the month

We know that due to the school calendar, teachers may have to stray from this general rule. PLEASE contact your teacher for more detailed information.

PETS

No pets of any kind are allowed at school without permission. School administration may give special permission for pets to be brought to school as part of a special display or activity. Pets must be taken home immediately after the activity. However, under no circumstances is a potentially dangerous pet to be brought to school. Pets can never be transported on the school bus. Please be considerate of students who have allergies.

PICTURES

Individual student pictures will be taken two times each year (fall and spring). The fall individual pictures will appear in the yearbook. Group pictures will be taken in the spring. All questions regarding pictures should be directed to the photographer.

REQUIRED REPORTING BY FACULTY AND STAFF

Any teacher or other person employed at any public or private elementary school who has reasonable cause to believe that a student at that school has committed any act upon school property or at any school function, which act is prohibited by any of the following: aggravated battery, sexual offenses, carrying a deadly weapon, or possession and other activities regarding marijuana and controlled substances, may have a written report of that act and the name of the student to the principal. Any principal who receives a report or has knowledge of any acts prohibited by these laws and has reasonable causes to believe the validity of the act(s) should notify the appropriate police agency.

RESIDENCY REQUIREMENTS AND ADDRESS CHANGES

A family that rents a home in Forsyth County, while owning a home in another county or in a different school attendance zone within Forsyth County solely for the purpose of proving residence for their children to attend school in Forsyth County will be considered in violation of this policy. Students who are illegally enrolled shall be immediately withdrawn. Violations of this policy may be pursued in court.

In cases of separation or divorce, the student will be deemed a resident of the parent/guardian who is indicated in legal agreement or the court's final decree to have physical custody. In cases of joint physical custody by parents, the student will be deemed to be a resident with the parent/guardian with whom the student resides overnight during the majority of the school week.

SAFETY

Maps showing fire and tornado drill procedures are posted in each room in the school. Fire drills are rehearsed monthly; tornado drills are rehearsed prior to the tornado season. Lockdown drills are held in the event such action becomes necessary. Please refer to the section "Emergency Dismissal" under Dismissal for information regarding school closings and early release during severe weather conditions.

Parents in the building during evacuation or tornado drills are expected to participate in the drill. Under no circumstances will you be permitted to take your child during a drill.

SCHOOL CALENDAR

A calendar for the school year is attached to the back of this handbook. It is also posted on the Forsyth County website.

Special event dates are publicized through the PTA, in the Daves Creek Newsletters, the Daves Creek website, and email. It is your responsibility to make sure the school has the most up to date email address. You can verify or update information on Parent Portal.

Early Release/Early Dismissal dates for parent conferences and professional development for teachers are regular school days, with a **12:30 dismissal time**. Lunch will be served before dismissal. After school care will be available at school for a nominal fee through Dolphin Cove on those days only if you desire.

SCHOOL COMMUNICATION:

Students and parents/guardians are encouraged to regularly check each of their itslearning courses for information such as lessons, assessments, important dates, etc. Within each course, the teacher maintains a Planner where this information can be found. Student grades and attendance are available in ParentPortal, <http://www.campus.forsyth.k12.ga.us>, which is also used for school and district newsletters distribution lists. The district invites you to stay connected by visiting its website, www.forsyth.k12.ga.us (which includes language translation options), following on social media (@FCSchoolsGA on Twitter, @FCSchools on Facebook, and @ForsythCoSchoolsGA on Instagram), subscribing on YouTube (@ForsythCountySchools) and to download the updated mobile app, Forsyth County Schools GA.

Parents have the responsibility to make sure that the school has the most up to date contact information. Please make sure that teachers have an accurate email for weekly communication.

SNACKS

Teachers may plan a snack break during the day. This time allows for a small, healthy snack such as fruit or crackers. Please allow your child to bring a water bottle if he or she chooses, but juice and soft drinks are not allowed during snack time. Teachers may also allow students to purchase ice cream for an after lunch snack.

SPECIAL PROGRAMS

- **EIP**

Early Intervention Program (EIP) is a state funded program which is available to eligible kindergarten through fifth grade students. This program focuses on supplementing instruction in skills necessary for academic success. The EIP program emphasizes an activity-centered, small group curriculum with extensive use of appropriate materials to assist in skill development. The EIP teacher plans with the classroom teacher for 50 minutes of instruction each day.

- **ESOL**

This service is offered to students for whom English is a second language. The Daves Creek staff includes an ESOL teacher who will work with students individually and in the classroom. The focus of ESOL is to provide learning to use English orally and to use written English to learn other skills.

- **Gifted Education Program**

The gifted education program is an enrichment program that provides supplementary activities to enhance the education of the gifted students. A student must meet school system guidelines in order to be eligible for the enrichment program. Students who meet the state requirements for gifted program placement are served through the program. Students must qualify in four areas: ability, achievement, motivation, and creativity. Students may be referred for special testing by their teacher or a parent. For specific requirements and referral information for the program, visit the school website.

Students can be referred to the program in one of three ways. A teacher may refer a child, a child's test scores may reveal a need for referral, or a parent may request that a child be referred. Referral does not guarantee placement.

- **Hospital-Homebound Services:**

If a student should need to be absent from school for more than 10 consecutive school days because of serious illness or an accident, arrangements may be made to provide instruction at home or in an alternative setting. In accordance with state rule 160-4-2.31 Hospital/Homebound Services, students with absences due to psychiatric/emotional disorders, as defined in the latest edition of the Diagnostic, and Statistical Manual (DSM), may be eligible for hospital-homebound instruction. It is the responsibility of the parent/guardian to request homebound instruction as soon as possible. An application for services supported by a doctor's recommendation will be required. The application and supporting documentation are submitted to the Principal of the school. Information and guidelines for Hospital-Homebound Services can be found at the Georgia Department of Education webpage – gadoe.org

STUDENTS WITH DISABILITIES:

A teacher, principal, counselor, or parent/guardian may recommend students for referral for student support team interventions, 504 accommodations, and/or for special education eligibility. If the student support team determines that an evaluation needs to be completed to consider additional services, an initial evaluation for special education services is administered only with written parental consent. After an evaluation is completed, a meeting (including parent/guardians, teachers, administrator and school psychologist) will determine the student's special education eligibility; and if appropriate, an Individual Education Plan (IEP) for special education services will be developed.

Section 504:

The Student Support Team (SST) is the mechanism in FCS for identifying disabled students who are eligible for an individual accommodation plan under Section 504. A teacher, educator, or parent/guardian may refer a student to the Student Support Team to consider the appropriateness and eligibility of a student for a 504 individual accommodation plan. For questions regarding 504 eligibility/accommodation, or 504 procedural safeguards, contact the school level SST chair.

Revised by GaDOE 2-13-12

Section 504 Procedural Safeguards:

1. Overview: Any student or parent or guardian ("grievant") may request an impartial hearing due to the school system's actions or inactions regarding your child's identification, evaluation, or educational placement under Section 504. Requests for an impartial hearing must be in writing to the school system's Section 504 Coordinator; however, a grievant's failure to request a hearing in writing does not alleviate the school system's obligation to provide an impartial hearing if the grievant orally requests an impartial hearing through the school system's Section 504 Coordinator. The school system's Section 504 Coordinator will assist the grievant in completing the written Request for Hearing.

2. Hearing Request: The Request for the Hearing must include the following:

- a. The name of the student.
- b. The address of the residence of the student.
- c. The name of the school the student is attending.
- d. The decision that is the subject of the hearing.
- e. The requested reasons for review.
- f. The proposed remedy sought by the grievant.
- g. The name and contact information of the grievant.

Within 10 business days from receiving the grievant's Request for Hearing, the Section 504 Coordinator will acknowledge the Request for Hearing in writing and schedule a time and place for a hearing. If the written Request for Hearing does not contain the necessary information noted above, the Section 504 Coordinator will inform the grievant of the specific information needed to complete the request. All timelines and processes will be stayed until the Request for Hearing contains the necessary information noted above.

3. Mediation: The school system may offer mediation to resolve the issues detailed by the grievant in his or her Request for Hearing. Mediation is voluntary and both the grievant and school system must agree to participate. The grievant may terminate the mediation at any time.

If the mediation is terminated without an agreement, the school system will follow the procedures for conducting an impartial hearing without an additional Request for Hearing.

4. Hearing Procedures:

- a. The Section 504 Coordinator will obtain an impartial review official who will conduct a hearing within 45 calendar days from the receipt of the grievant's Request for Hearing unless agreed to otherwise by the grievant or a continuance is granted by the impartial review official.
- b. Upon a showing of good cause by the grievant or school system, the impartial review official, at his or her discretion, may grant a continuance and set a new hearing date. The request for a continuance must be in writing and copied to the other party.
- c. The grievant will have an opportunity to examine the child's educational records prior to the hearing.
- d. The grievant will have the opportunity to be represented by legal counsel at his or her own expense at the hearing and participate, speak, examine witnesses, and present information at the hearing. If the grievant is to be represented by legal counsel at the hearing, he or she must inform the Section 504 Coordinator of that fact in writing at least 10 calendar days prior to the hearing. Failure to notify the Section 504 Coordinator in writing of representation by legal counsel shall constitute good cause for continuance of the hearing.
- e. The grievant will have the burden of proving any claims he or she may assert. When warranted by circumstances or law, the impartial hearing officer may require the recipient to defend its position/decision regarding the claims (i.e. A recipient shall place a disabled student in the regular educational environment operated by the recipient unless it is demonstrated by the recipient that the education of the person in the regular environment with the use of supplementary aids and services cannot be achieved satisfactorily (34 C.F.R. §104.34). One or more representatives of the school system, who may be an attorney, will attend the hearing to present the evidence and witnesses, respond to the grievant testimony and answer questions posed by the review official.
- f. The impartial review official shall not have the power to subpoena witnesses, and the strict rules of evidence shall not apply to hearings. The impartial review official shall have the authority to issue pre-hearing instructions, which may include requiring the parties to exchange documents and names of witnesses to be present.
- g. The impartial review official shall determine the weight to be given any evidence based on its reliability and probative value.
- h. The hearing shall be closed to the public.
- i. The issues of the hearing will be limited to those raised in the written or oral request for the hearing.
- j. Witnesses will be questioned directly by the party who calls them. Cross-examination of witnesses will be allowed. The impartial review official, at his or her discretion, may allow further examination of witnesses or ask questions of the witnesses.
- k. Testimony shall be recorded by court reporting or audio recording at the expense of the recipient. All documentation related to the hearing shall be retained by the recipient.
- l. Unless otherwise required by law, the impartial review official shall uphold the action of school system unless the grievant can prove that a preponderance of the evidence supports his or her claim.
- m. Failure of the grievant to appear at a scheduled hearing unless prior notification of absence was provided and approved by the impartial review official or just cause is

shown shall constitute a waiver of the right to a personal appearance before the impartial review official.

5. Decision: The impartial review official shall issue a written determination within 20 calendar days of the date the hearing concluded. The determination of the impartial review official shall not include any monetary damages or the award of any attorney's fees.

6. Review: If not satisfied with the decision of the impartial review official, any party may pursue any right of review, appeal, cause of action or claim available to them under the law or existing state or federal rules or regulations.

Georgia Special Needs Scholarship:

Parents/guardians of students who receive special education services in FCS have the option to exercise public and private school choice. Under a State law passed by the Georgia State Legislature in 2007, parents/guardians of students who receive special education may choose to transfer their child to another public school or private school in Georgia. Parents/guardians must be current residents of Georgia and have been residents for one year.

Special Needs Public School Choice Options:

A parent/guardian can request a transfer to another public school within their school system as long as there is available space at that school and the school has a program with the services agreed to in the student's existing individualized education program (IEP). If the parent/guardian chooses this option, then the parent/guardian shall be responsible for transportation to the school.

The parent/guardian may request a transfer to a school in another school system if there is available space and the system and school have a program with the services agreed to in the student's existing individualized education program. **Note:** It is allowable for a school system to have a policy not to accept students that reside out of the school system. If a school system accepts the child, then the parent/guardian shall be responsible for transportation to the school in that system. If a school system approves an out of system transfer request, it can charge a parent/guardian for the costs of educating a student; also known as out of district tuition. **Note:** Funds received through the Georgia Special Needs Scholarship Program cannot be used to offset the costs of out of district tuition.

The parent/guardian may also request a transfer to one of the State schools for the deaf and /or blind operated by the State Board of Education. Acceptance into a State school will depend on whether or not that setting is appropriate for the student's needs. If the parent/guardian chooses this option, then the parent/guardian shall be responsible for transportation to the State school. Please contact the Georgia Department of Education for more information about transferring to a State school.

Special Needs Private School Choice Option:

Parents/guardians interested in transferring their child to a private school in Georgia may be able to take advantage of a Georgia Special Needs Scholarship. These scholarships provide funding that can be used to offset tuition costs at participating private schools in the State of Georgia. For more information on the Georgia Special Needs Scholarship and the parent application process, visit the Georgia Department of Education's website at

STANDARDIZED TESTING

Students in third – fifth grades will take the Georgia Milestones in April. Individual student reports will be sent home when they arrive.

Testing dates can be found on the Forsyth County Website under Calendars (Assessment Calendars). Please be aware of these dates when you schedule appointments and absences for your child. The best testing environment for your child is with his/her peers. <http://www.forsyth.k12.ga.us/page/189>

NOTICE TO PARENTS/GUARDIANS AND ELIGIBLE STUDENT OF RIGHTS UNDER THE FAMILY EDUCATIONAL RIGHTS PRIVACY ACT (FERPA) AND THE PROTECTION OF PUPIL RIGHTS AMENDMENT (PPRA):

Under the Family Educational Rights and Privacy Act (20 U.S.C. 1232g) (the “Act”), parents/guardians have a right to:

1. Inspect and review, within 45 days of a request, the education records of a student who is their child, or in the case of a student who is eighteen (18) years of age or older, or those who are emancipated, their own education records. Parents/guardians or eligible students should submit to their principal a written request identifying the record(s) they wish to inspect. The principal will make arrangements for access and provide notice of such arrangements.
2. Request the amendment of the student’s education records to ensure that they are not inaccurate, misleading, or otherwise in violation of the student’s privacy or other rights. To request the school district to amend a record, parent/guardian or eligible students should write the school principal, specify the part of the record they want changed, and specify why it is inaccurate, misleading, or otherwise in violation of the student’s privacy or other rights. If the district decides not to amend the record, it will notify the parent/guardian or eligible students of the decision and inform them of their right to a hearing. Additional information regarding the hearing procedure will be provided with the notification of the right to a hearing.
3. Consent to disclosures of personally identifiable information contained in the student’s education records, except to the extent that the Act and the regulations promulgated pursuant to the Act authorize disclosure without consent. One exception which permits disclosure without consent is to school officials with legitimate educational interest. A school official is a person employed by the district as an administrator, supervisor, instructor, or support staff member; a member of the school board; a person with whom the district has contracted to perform a specific task (such as attorney, auditor, or therapist); or a parent or student serving on an official committee (such as a disciplinary or grievance committee). A school official has a legitimate educational interest if the official needs to review an educational record in order to fulfill his/her professional responsibility. Upon request, the school district forwards educational records without prior consent to another school in which the student seeks or intends to enroll.
4. If you feel a violation of FERPA rights has occurred, visit www.forsyth.k12.ga.us/ferpa to submit a parent complaint form.

FERPA Directory Information Notice:

FCS has designated the following information as directory information:

- Name,
- Photograph,
- Date of birth,
- Major field of study,
- Grade level,
- Enrollment status,
- Dates of attendance,
- Participation in officially recognized activities and sports,
- Weight and height of members of athletic teams,
- Degrees, honors and awards received, and
- The most recent educational agency or institution attended.

Unless a parent/guardian or eligible student, request otherwise, this information may be disclosed to the public upon request. In addition, two federal laws require school systems receiving federal financial assistance to provide military recruiters, upon request, with the name, address, and telephone numbers unless parents/guardians have advised the school system that they do not want their student's information disclosed without their prior written consent. Parents/guardians have the right to refuse to allow the above information to be designated as directory information and to refuse to allow it to be disclosed to the public upon request without your prior written consent. If parents/guardians wish to exercise this right (Opt-Out), they must notify the principal of the school, in writing, within 10 days of the first day of school or of their enrollment date.

Parents/guardians are also notified that from time to time students may be photographed, video taped, or interviewed by the news media at school or some school activity or event; unless a parent/guardian objects in writing to their student being photographed, video taped or interviewed, to the principal of the school where their student is enrolled. Parents/guardians must notify the principal of their objection by the date specified above. The principal will take reasonable steps to control the media's access to students. However, parent/guardian submission of a written objection does not constitute a guarantee that their student will not be interviewed in circumstances which are not within the knowledge or control of the principal.

Protection of Pupil Rights Amendment (PPRA) Notice:

No student shall be required to submit to a survey, analysis, or evaluation that reveals information concerning:

- Political affiliations or beliefs of the student or the student's parent;
- Mental or psychological problems of the student or the student's family;
- Sex behavior or attitudes;
- Illegal, anti-social, self-incriminating, or demeaning behavior;
- Critical appraisals of other individuals with whom respondents have close family relationships;
- Legally recognized privileged or analogous relationships, such as those of lawyers, physicians, and ministers;
- Religious practices, affiliations, or beliefs of the student or student's parent; or
- Income (other than that required by law to determine eligibility for participation in a program or for receiving financial assistance under such program), without prior written consent of the parent or eligible student.

A parent/guardian of a student may, upon request, inspect any survey created by a third party containing one or more of the items listed as (1) through (8) above before the survey is administered or distributed by a school to a student and may choose to opt the student out of participation in the survey. The Superintendent shall develop procedures for: (1) granting a request by a parent/guardian for reasonable access to such survey within a reasonable period of time after the request is received, and (2) making arrangements to protect student privacy in the event of the administration or distribution of a survey to a student containing one or more of the items listed as (1) through (8). The requirements of PPRA do not apply to a survey administered to a student in accordance with the Individuals with Disabilities Education Act (IDEA).

A parent/guardian of a student may, upon request, inspect any instructional material used as part of the educational curriculum for the student. The Superintendent shall develop procedures for granting a request by a parent/guardian parent for reasonable access to instructional material within a reasonable period of time after the request is received.

Parents/guardians shall be notified prior to the administration of physical examinations or screenings that the school may administer to students. This notice shall offer the parent/guardian the opportunity to opt the student out of any non-emergency, invasive physical examination or screening that is (1) required as a condition of attendance; (2) administered by the school and scheduled by the school in advance; and (3) not necessary to protect the immediate health and safety of the student, or of other students.

At the discretion of the principal, schools may disclose student name, grade, mailing and email addresses for purposes of school photography, yearbook and graduation-related services. Parents/guardians may opt-out by notifying the principal of the school, in writing, within 10 days of the first day of school or of their enrollment date.

Parent Notice of Teacher Qualifications:

Forsyth County Schools informs parents/guardians that they may request information about the professional qualifications of their student's teacher(s). The following information may be requested:

- 1) Whether the teacher has met the Georgia Professional Standards Commission requirements for certification for the grade level and subject areas in which the teacher provides instruction;
- 2) Whether the teacher is teaching under an emergency or other provisional status through which Georgia qualifications or certification criteria have been waived;
- 3) The college major and any graduate certification or degree held by the teacher;
- 4) Whether the student is provided services by paraprofessionals, and if so, their qualifications.

If parents/guardians wish to request information concerning their child's teacher's qualification, contact the Human Resources Department at 770.887.2461 [Section 1111(h)(6)]

TEACHER CHARACTERISTIC FORMS

Teacher placement request forms will be available for pick up in the front office some time after February. Late entries may not be considered. When completing the teacher and child characteristics portion of the form, you are letting us know only the optimal teacher qualities you feel are the best fit for your child. This form is not to be used to request a specific teacher by name. Any form that requests a specific teacher will be sent back and not considered.

TEXTBOOKS

All basic textbooks are on loan to students for use during the school year. Each student is responsible for the textbooks issued to him or her. Replacement textbooks will not be issued until reimbursement fees have been paid in the office. All textbooks must be returned, and fees for any lost or damaged books must be paid by the last day of school.

TRANSPORTATION (BOARD POLICY EDC):

FCS provides school bus transportation for all eligible FCS students based on the student's residence and school of enrollment, and in compliance with federal, state and/or local laws, rules, regulations and/or procedures. The Transportation Department is authorized to develop a framework and procedures that provide transportation services to eligible FCS students.

The Forsyth County Board of Education encourages supervision appropriate to the age and/or maturity level(s) of students at bus stops by parents or guardians.

The code of conduct applies on the school bus and at the bus stop as each is considered an extension of the school and classroom. As such, behaviors are expected to be safe, orderly and respectful at the stop and on and around the school bus.

It is the responsibility of the parent/guardian to become familiar with transportation practices and procedures specific to our service. You may find those at www.forsyth.k12.ga.us/transportation or you may request clarification and/or assistance from the appropriate staff member found at the “Who Should I Call” link on the department web page.

TRANSPORTATION - CHANGES

All transportation changes must be communicated to the homeroom teacher by note or fax **by 2:30pm**. Emails changes should be reserved for emergencies. Approval of transportation changes that arrive after 2:30pm, are up to the DCES Administration and may not be approved. ***The school will not ever accept changes to transportation over the phone in order to maintain safety at all times for our students.***

Please maintain a routine schedule for the transportation mode for getting home. The school has found that problems arise when transportation is being constantly changed. Our homeroom teachers will always do their best to make sure all students go home on the correct transportation mode but keep in mind they have a classroom full of students and are teaching throughout the day.

If your child misses the bus stop or the appropriate adult is not at the stop and the student has to be returned back to school, parents will be responsible for picking up the child. If the child cannot be picked up right away, then the child will be sent to Dolphin Cove, our after school program. Parents will be responsible for the cost of the child care.

TRANSPORTATION - CAR RIDERS/WALKERS

Students may not be dropped off at the school before 7:50 AM unless they are enrolled in the before school child care program in the cafeteria. Daves Creek cannot be responsible for students left at the school before 7:50am. For safety reasons, car riders must be dropped off/picked up in the car line at the front of the building. Car riders may not be dropped off/picked up at the bus entrance.

In the afternoons, children will not be released to parents at the classroom door. Afternoon dismissal can become chaotic when last minute interruptions occur. Children being picked up after school will be loaded into cars by school personnel in the front of the building at school dismissal time. **Children not picked up by 3:30pm may be placed in the Dolphin Cove after school program at the parent's expense.**

Please be aware of the delay in time to pick up your child through the car lane at the end of each school day when making after school arrangements such as extracurricular activities and doctor/dentist appointments. In order to maintain a safe environment for the students, parents are not allowed to park in the parking lot or Joint Venture and walk up and pick up children from the student holding area. You must wait in the car rider line if you want to pick up your child from the front of the school. Thank you for helping us keep all children safe and accounted for during this process.

“Walk Up Policy”

At the request of our families that live within a walking distance, Daves Creek has added in a “Walk Up” option to help foster a healthy community. If you live within a mile, within our surrounding community of James Creek or Brandon Hall and you walk from your home to the school, then you are eligible. (Safe walkways were taken into consideration and therefore limited to these surrounding communities.)

Please stop at the front desk to request a walk up pass. We are asking all parents requesting a walk up pass to complete an information sheet in order to receive a walk up pass. This sheet provides vital information and is available for quick access in case of emergency.

We ask that you walk up on the side of the playground and check in with the administrator or staff member that is calling dismissal. Please have your walk up pass visible at all times. This helps us keep track of the adults in the student holding area and maintain safety and accountability for our students.

Please help us maintain the integrity of this program. This program was designed to diminish the pollution from the cars and improve the health of our students by encouraging exercise. Please do not use this pass to drive and park in Joint Venture or the school parking lot.

In order to ensure our students are safe and remain healthy at all times, pets including dogs are not allowed on school premises during arrival and dismissal. Pets should remain in cars or at Joint Venture.

Car Rider Information

This year we will continue with assigning a Car Rider number to assist with the dismissal of car rider students. Our goal is to speed up the process and assure the safety of all children. We encourage all parents to complete a form requesting a Car Rider number. Parents may obtain a copy of the Car Rider Form on our school website. This sheet provides the staff and office with vital information such as student name, teacher name, grade level and driver information. The information provides important data quickly. The students at dismissal walk to the front of the building and sit in the designated area for their vehicle number. An adult will then call out vehicle numbers and a color column for your child to stand by until an adult opens a car door. We appreciate your help with this process as we continue to adapt to better serve our community.

VISITORS TO OUR SCHOOL

For the protection of our children all visitors **must check in** with the front office upon entering the school building. A valid driver's license or government issued ID will be required each time you visit our school. No exceptions can be made.

All visitors must go through the "Safety Check" system to enter the building. **No exceptions will be made.** To visit Daves Creek you will need your drivers license or other form of government issued ID. Proper ID will have to be swiped each time you enter the building. Parents are requested to make an appointment for teacher conferences. If you are visiting the school with preschool age siblings, please make sure they are closely supervised to avoid any disruption of classroom instruction.

Visitors are asked to be respectful of school and classroom policies and guidelines. Visitors who do not set a positive role model or maintain a respectful environment will be asked to leave.

- Kindergarten parents can walk their child to the classroom on the first two days of school. No exceptions will be made for other grade levels or other days in the school year.
- No lunch visitors during the first 7 days of school as teachers and students are setting their routines for the year.
- No lunch visitors during the End of Grade Milestones testing in April.
- No lunch drop offs during the End of Grade Milestones testing in April.

VOLUNTEERS

Parents, relatives, and friends of Daves Creek students are encouraged to volunteer in the school and at school-sponsored events. A form will be available at Open House for parents to indicate their interest in volunteering. Parents may also call the school or contact Daves Creek's PTA volunteer coordinator. Volunteers must sign in and out in the office using the same procedure as other visitors.

All volunteers must watch a mandatory reporting video before they can volunteer in the classroom. Video can be found at <http://www.forsyth.k12.ga.us/Page/40094>.

WELLNESS POLICY

School Health Councils

Each school will create or work within their existing school health council to implement, monitor, review, and if necessary, recommend to the district's Coordinated School Health Council revision to system wellness policy, goals, and procedures. The district council will serve as resources to school sites for implementing the wellness policy. (A school council consists of a group of individuals representing the school and community, and should include parents, students, representatives of the school food authority, school administrators, teachers, health professional, and members of the public.)

Staff Wellness

The Forsyth County School District highly values the health and well-being of every staff member and will provide programs and plan and implement activities that support personal efforts by staff to maintain a healthy lifestyle.

Goals for Nutrition Education

Schools should provide nutrition education and engage in promoting healthy nutrition that:

- Is offered at each grade level as part of a sequential, comprehensive, standards-based health program designed to provide students with the knowledge and skills necessary to learn and adopt healthy eating habits;
- Provides instruction that is scientifically based;
- Is integrated into other areas of the curriculum such as math, science, literacy/language arts, language arts, social studies, and elective subjects (Examples are counting calories, categorizing quantities, reading labels, calculating caloric intake in comparison to energy expended, etc.);
- Is offered in the cafeteria, serving as a learning laboratory to allow students to apply critical thinking skills taught in the classroom, with coordination between school nutrition staff and teachers;
- Provides/sends throughout the entire school, positive and consistent nutrition messages as taught in the classroom;
- Promotes fruits, vegetables, whole grain products, low-fat and fat-free dairy products, products with minimal added sugar, healthy food preparation methods, and health-enhancing nutrition practices;
- Emphasizes caloric balance between food intake and energy expenditure;
- Includes staff development opportunities for teachers and other staff to adequately prepare them to deliver an accurate nutrition education program as planned;
- Disseminates nutrition information to students, staff, families and the broader community through a variety of methods such as health fairs, publications, morning announcements, signage, the media, etc.;
- Schools will be United States Department of Agriculture (USDA) Team Nutrition (TN) Schools. As TN schools, they will register and follow the guidelines of serving nutritious meals. They will also be encouraged to conduct nutrition education activities and promotions throughout the school year.

Goals for Physical Activity

Schools should provide opportunities for every student to develop the knowledge and skills for specific physical activities, maintain physical fitness, regularly participate in physical activity, and understand the short- and long-term benefits of a physically active and healthful lifestyle.

Physical Education

- The school provides a physical and social environment that encourages safe and enjoyable activity for all students, including those who are not athletically gifted.

- Physical education is where students learn, practice, and are assessed on developmentally appropriate motor skills and knowledge. It includes the instruction of individual activities as well as competitive and non-competitive team sports to encourage life-long physical activity.
- Students with disabilities are provided “adaptive physical education activities” to encourage activity and movement.
- Time allotted for physical activity during the school day is consistent with research, national, and state standards.
- Physical education classes have a student/teacher ratio consistent with research, national and state standards.
- Physical education instructors are credentialed in field.
- Coaches of interscholastic athletic programs are required to participate in coach’s certification course.
- Pertinent staff development opportunities will be provided to physical education and health teachers periodically.

Fitness Assessment:

As a component of Physical Education, a variety of fitness assessment activities and techniques will be used to measure different areas of health-related fitness. These may include but are not limited to 1. The PACER run or one mile run for cardiovascular fitness; 2. Push-Ups for upper body strength; 3. Curl-Ups for abdominal strength; 4. Back-Saver Sit and Reach for flexibility. Lifelong fitness and wellness may be promoted through exposure to modern technology tools such as fitness trackers and apps.

Daily Recess in Elementary Schools

- All elementary school students will have supervised recess daily during which schools should encourage moderate to vigorous physical activity. Schools should provide adequate space and equipment for organized activities.

Physical Activity and Punishment

- Schools will work to avoid the denial of student participation in recess or other physical activity during the school day as a form of discipline. If discipline is needed during recess, a solitary activity requiring physical activity is suggested.

Other Opportunities for Physical Activity

- Physical activity or movement will be integrated across curricula and throughout the school day. Classroom teachers will provide short physical activity breaks between lessons or classes, as appropriate.
- When sponsors can be secured, students should be given opportunities for physical activity through a range of before and after-school extracurricular programs including intramurals, interscholastic athletics, and physical activity clubs.

Goals for Other School-based Activities and Nutrition Standards for All Foods Available on School Campus During the School Day

Students’ lifelong eating habits are greatly influenced by the types of foods and beverages available to them and the emphasis placed on physical activity. Schools create an environment that provides consistent wellness messages and is conducive to healthy eating and being physically active.

School Meals

- Schools will participate in the National School Breakfast and Lunch Programs and provide meals that comply consistently over time with the current scientifically based U.S. Dietary Guidelines, MyPyramid, Recommended Dietary Intakes (RDI’s), and the USDA nutrient standards for school meals.
- Schools provide a clean, safe, and enjoyable meal environment for students.
- Denial of access to school meals as punishment is prohibited by law.
- All foods sold or served during the breakfast and lunch meal periods shall be offered solely through the School Nutrition Program with the exception of ice cream sold through the school administration. Lunches that are brought from home for single student consumption are allowed.

- Due to the negative impact of retail-prepared “fast food” to-go meals on overall student wellness, these meals brought in from outside should be eaten in an alternative location other than the cafeteria. Parents and guest are always welcomed as customers of the school’s nutrition program to eat with their student in the cafeteria.
- Schools that offer ice cream novelties, either as a means for additional income or as a treat, are encouraged to provide products with reduced calories, sugar, and fat. **Flavored water ices such as popsicles are prohibited by law.** Ice cream may be served during the school day for scheduled snack times or during the meal period. If offered during the meal time at the elementary level, ice cream can be served only after students have had adequate time to consume their lunch. Students with outstanding lunch and/or breakfast charges will not be allowed to purchase ice cream. The ice cream sold in the school will not have nuts in it.
- Teachers will survey their cafeteria table to make sure students with food allergies are not sitting next to students with foods containing an allergen.
- Teachers will sit students with food allergies on the end of the table near the center isle.
- Lunchroom monitors will circulate to the peanut free table to check for any issues.
- Paraprofessionals will check with the homeroom teachers in their designated area to identify any students with food allergies.

Meal Times and Scheduling

- Lunch is scheduled to provide adequate time for students to enjoy eating healthy foods with friends, scheduled as near to the middle of the school day as possible. Students should be allowed a minimum of 20 minutes to eat after sitting down for lunch. Lunch must be scheduled between 10:00 AM and 2:00 PM daily. The only exception is lunch may start at 9:30 AM on early release days.
- Schools should not schedule tutoring, club, or organizational meetings or activities during mealtimes, unless students may eat during such activities.

Food Safety

- It is strongly recommended that all foods not prepared by staff on campus and made available to students be purchased from a reputable commercial establishment to ensure the safety of students and shall comply with the current US Dietary Guidelines for Americans. This does not pertain to an individual student’s lunch brought from home.
- Schools will discourage students from sharing their foods or beverages with one another during meal or snack times, given concerns about allergies and other restrictions on some children’s diets.
- Each preparation site is represented by at least one person credentialed in food safety.
- Schools provide safe, clean, and hygienic restrooms. Students are provided an opportunity and are expected to wash their hands before and after they eat meals or snacks.
- All food handlers and foods available on campus adhere to food safety standards.
- Sanitation deficiencies cited on local inspections are corrected immediately, including facility deficiencies.

Foods Available on School Campuses outside the School Meals

- Access to foods of minimal nutritive value as defined by USDA is prohibited on school campuses during the school day. All foods made available on campus during the school day must make a positive contribution to the overall diets of students. This includes:
 - Vending Machines
 - A la carte
 - Beverage Contracts
 - Fundraisers
 - Concessions
 - Student stores
- Healthy food options shall be available at extracurricular activities when food is sold on campus outside the school day.
- Use of nonfood treats as a reward is encouraged.
- Schools will limit availability within the school day of all other food sales and service.
 - No student access to vending in elementary schools.
 - No student access to vending in middle school until after the end of the school day.

- No access to vending in high school until after the end of the last school lunch period.
- No access to other sources of food during the breakfast and lunch meal periods.
- Classroom snacks sold or served feature healthy choices.
- System wellness policy goals are considered in planning all school–based activities (such as school events, field trips, dances, assemblies, fundraisers).
- The after school childcare program encourages physical activity and promotes healthy eating habits.

Classroom Celebrations

- Use of nonfood treats as rewards and incentives in the classroom is encouraged.
- Classroom birthday celebrations should involve nonfood treats.
- Classroom celebrations involving food should have food that is prepared in a **COMMERCIAL ESTABLISHMENT only with ingredient label attached– homemade foods are not allowed.** These celebrations will not interfere with a student participating in the school meal program.

Fundraisers

- To support children’s health & school nutrition education efforts, fundraising activities sponsored by the school or school groups should be limited to non-food sales or foods that make a positive dietary contribution & meet the standards of the most current Dietary Guidelines for Americans (fresh fruits, bottled water, nuts, etc). Schools will encourage fundraising activities that promote physical activity & discourage fundraisers that involve food.

Marketing of Food

- School-based marketing will be consistent with nutrition education and health promotions. As such, schools will limit food and beverage marketing to the promotion of foods and beverages that meet the nutrition standards for foods sold on school campuses during the school day.

The Forsyth County Schools Wellness Plan will be assessed annually for effectiveness and implementation. The Forsyth County Schools Coordinated School Health Committee will review yearly goals to insure the most effective measures and standards are in place. This review will help promote and encourage sound nutritional and physical activity practices by students and staff. It will also allow for new research and findings to be incorporated into the system plan for greater effectiveness. Forsyth County Schools believe strongly that healthy lifestyle habits help improve student and employee success. The Forsyth County Schools Wellness Plan insures focus to this end.

WITHDRAWAL PROCEDURES

Parents withdrawing students from Daves Creek should contact the school office and their child’s teacher as soon as possible. The teacher will secure a withdrawal form from the school office. The student’s teacher, media specialist, and the cafeteria manager must complete and sign the form before it is returned to the office for the principal’s signature. Financial obligations, such as lost or damaged books and lunch charges, must be satisfied when the student withdraws. Records will be mailed to the new school upon receipt of a signed request.

YEARBOOKS

A committee publishes a student yearbook each year. Yearbook orders are taken mid-year. All yearbooks will be distributed before the last week of school to those students who ordered one. All students have a picture taken in September for inclusion in the yearbook, but purchase of the yearbook is an optional decision.
