

Change Parent Portal App Instructions

1. Find the Parent Portal app on your mobile device.

2. Press down on the Parent Portal app until the "x" appears in the left corner of the app. Click on the x to delete the old app.

3. Go to the App Store (for i-phones) or Google play (for Android devices).

4. Search for Infinite Campus and find the Campus Parent icon as seen below. Download this app to your mobile device.

- Once the app is downloaded, put in the District Name as Forsyth, search for the State and select Georgia.

The screenshot shows the Infinite Campus app interface. At the top left is the logo "Infinite Campus" with a stylized infinity symbol. Below the logo is a white rounded rectangle containing a search form. The form has two input fields: "District Name" with a placeholder "Enter at least three characters." and "State". Below the fields is a blue button labeled "Search District" and a link labeled "Help".

- Select Your District as Forsyth County.

The screenshot shows the Infinite Campus app interface. At the top left is the logo "Infinite Campus" with a stylized infinity symbol. Below the logo is a white rounded rectangle containing a selection screen. The screen has the heading "Select Your District" and a single option "Forsyth County" with a right-pointing chevron arrow.

7. Next enter your Parent Username and Password. Check the stay logged in box if you want to stay logged in. Hit the blue Log In box.

The screenshot shows the Infinite Campus Parent login interface. At the top left is the Infinite Campus logo. A red banner on the right says "Campus Parent". Below this, the text "Forsyth County" is displayed. There are two input fields: "Parent Username" and "Password". Below the password field is a checkbox labeled "Stay logged in" with an information icon. A large blue "Log In" button is centered below the checkbox. At the bottom, there are links for "Forgot Password?", "Forgot Username?", and "Help", and a "Change District" link.

In most cases, the blue “Forgot Password? And “Forgot Username?” functions do **not work here. If you do **not** have your password or username, please go to your student’s school with your valid picture ID.*
