

WE ARE ONE EAST

East Community Newsletter

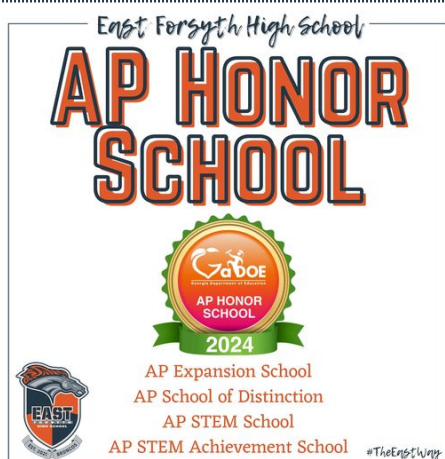

march 2024

● A NOTE FROM THE PRINCIPAL

● Good Afternoon!
February was a quick month! We had some great things happening here at East. We have had a great time celebrating Black History Month led by our C.A.R.E. Team and our NAACP Club. We had the "Beat of Life" earlier in the month where songwriters from Nashville came and wrote songs with our students. These songs told the stories of many of our students and were very impactful. Our DECA, Construction, Heavy Equipment, and AV Pathways have all been very busy with competitions. I hope you were able to come see our theatre students put on a fantastic rendition of Shakespeare's "Much Ado About Nothing." Please be on the lookout for our next play "Little Mermaid" coming up later in March. Our band and chorus are preparing for their LGPE Concerts coming up this month. Let's give a big congratulations to Jackson Moffit for bringing home the state championship in wrestling. Way to go Jackson! We are also excited to celebrate "Women's History Month" during the month of March!

● Have a great day, The East Way!!
