

Reminder - Set up a Publix Account for Big Creek

Don't forget to sign up for an account at www.publix.com. In your account settings, enter Big Creek Elementary as your Publix Partner School. When you shop, make sure you enter your phone number at checkout.

If you currently use the small, green Publix Partners card which is scanned at checkout, you may continue to use that card until September 30, 2018. After then, the cards will not be accepted so make sure you set up your publix.com account today.

Thanks for your continued support of this awesome partnership!
