**Keith Gravitt**

November 12, 2021

Dear Rising High School Freshman and Family,

South Forsyth High School offers a unique educational opportunity that we would love for you to consider as you plan to begin your high school career. The International Baccalaureate Program is open to all students that have an interest in education beyond just learning the content. IB connects learning across content areas and offers varying levels of academic challenge to those who seek a global perspective in their learning environment. We have an informational night on November 30 at 6:00 pm and would love for you to come to campus to hear about the opportunities, ask questions, seek clarity, dispel myths, and find out what IB is really all about. The attached flyer shares an overview of the IB program and the options available to you. We encourage you to come explore and join an internationally recognized and respected program. Looking forward to seeing each of you on November 30.

Thank you,

Laura Wilson, Principal
