

Leadership Forsyth

Presents

Youth Leadership Forsyth

An engaging and educational leadership development program for rising high school juniors with a focus on community awareness and service.

YLF 2022- 23 Class Program Applications are now online!

Leadership Forsyth is currently accepting applications for the 2022-23 Youth Leadership Forsyth (YLF) Class Program. YLF is a program for high school juniors that incorporates both leadership development and community awareness. In the program, students from across the county come together, have fun, learn, and explore Forsyth County while further developing their personal leadership skills. They participate in community service activities and engage in leadership workshops that are relative and engaging. This is a wonderful opportunity for any student who is seeking to develop meaningful leadership skills, engage with fellow leaders, learn about themselves, and connect with their community. Participation in the Youth Leadership Forsyth Program is a great addition to a college resume!

The YLF program applications are open to all rising juniors. The application is available online at . [Youth Program – Leadership Forsyth](https://leadershipforsyth.org/youth-program/) (<https://leadershipforsyth.org/youth-program/>) The deadline to apply for the program is June 3rd. Please contact Leadership Forsyth's Executive Director, Tammi Bramblett at tammi@leadershipforsyth.org for more information.
