

Logging Into My Payments Plus

Visit <http://www.mypaymentsplus.com> and use the Secure Sign In to enter your **Username** and **Password**. Click the **Sign In** button to sign in.

If you've forgotten either your username or password, use the link below the Sign In button to retrieve it.

Your Dashboard

Home – this page will give you access to all of the items available for payment. Click the next to each category name to see the items available to you.

View History – review your payment/transaction history.

Manage Account – this menu will let you Manage Students, Manage Documents, and edit your Profile. (See the next page.)

Manage Students

From the **Manage Students** page, you can add additional students to your account, or remove students from your account.
